Dear Parents,

We are happy to meet you through the **10th** letter of the current academic year of our school.

1. EDITORIAL

Amid rising cases linked to the Omicron variant of the coronavirus, Prime Minister Sri. Narendra Modi announced recently that India will vaccinate children between 15-18 years against Covid-19 from January 3, 2022 onwards.

Immunization of children will strengthen the fight against the Covid-19. AISV believes that the parents will go ahead and get their wards vaccinated in order to protect their children during this pandemic. It's indeed good news for the young lots in the coming new year, which was long awaited.

“There are only two days in the year that nothing can be done. One is called yesterday and the other is called tomorrow, so today is the right day to love, believe, do and mostly live.” Dalai Lama

The year 2021 has come to the end with a few good lessons and we hope to start the NEW ONE by showing that we have learnt the lessons of the past well.

We can't go back to make a NEW START but we can start from NOW to make a NEW ENDING.

May the New Year see you loving, giving, and living!

AISV wishes you all A VERY HAPPY NEW YEAR!
