Dear Parents,

We are happy to meet you through the **11th** letter of the current academic year of our school.

1. EDITORIAL

Change is the law of nature and we believe that nothing is more dynamic than the human mind. We absorb the changes as quickly as a sponge does and we tend to make stronger and more powerful comebacks than ever.

With the start of the Covid-19 Vaccine drive in India, the year 2021 has been significant for all of us and particularly for the students who are waiting eagerly to come back to the School after the lockdown was imposed in the month of March, 2020 due to the pandemic.

Few months back everything which is happening today seemed impossible but the positive attitude and hope for the best to come has brought this new normal.

Now, as per the new directives, the senior grades of the School can be back to their classrooms and we can say that they'll get accustomed to the new settings soon as children have better adaptabilities than the adults.

Let us **be united**, come together and bring our world back to its strong and beautiful time again.

Stay Healthy, Stay Safe with the positive attitude towards everything.
