Dear Parents,

We are happy to meet you through the **11th** letter of the current academic year of our school.

1. EDITORIAL

“Today a reader, tomorrow a leader”

The habit of reading is one of the best qualities that a person can possess. Books are known to be your best friend for a reason. So it is very important to develop a good reading habit. We must all read on a daily basis for at least 30 minutes to enjoy the sweet fruits of reading. It is a great pleasure to sit in a quiet place and enjoy reading. Reading a good book is the most enjoyable experience one can have.

With schools closed, students have lost access to the library, a routine activity that would prompt them to read.

Because parents don't have the habit of reading, they do not take interest in developing the habit in their children.

As against those parents who read and will make an effort to buy age-appropriate books for their kids, if adults bring some discipline in their lives, it will pass on. Children emulate their parents. If they see parents reading, they, too, will read. If you are a far-sighted parent, you will make an effort to find some time to read with your children.

Once the child develops love for reading, there will be no need for any guidance.

All things are ready, if our mind be so,” said William Shakespeare. It is time to get the mind set!

IMPORTANT ANNOUNCEMENT

The fees for the year 22-23 (next academic year) shall remain unchanged / will be the same as of 21 - 22 (current year) including transport and brunch.
