Ref: 12th/23-24/1st MARCH, 2024

Dear Parents,

We are happy to meet you through the **12th** letter of the current academic year of our school.

1. EDITORIAL

AISV congratulates the four IAF test pilots Group Captain Prashanth Nair, Group Captain Angad Pratap, Group Captain Ajit Krishnan and Wing Commander Shubhanshu Shukla selected for the **Gaganyaan Mission** by ISRO.

We are glad to see how the space sector is giving preference to the '**Women Power**', whether it's Chandrayaan or Gaganyaan, there are more than 500 women in leadership positions in ISRO, We congratulate all of them.

March is the month of exams. We wish our dear students **all the best for the exams!** Children, have faith in yourself — all power is in you — be conscious and bring it out. Say, '**I can do everything**'. Take these exams as an opportunity for self-growth.

Remember, the sole purpose of your studies is not to have a mark sheet that reads 'A+, A+, A+' but to have the confidence that your education will give back something to society. It is very important to take some time off to unwind during the daily academic routine of exams. It can be simple things like listening to your favourite music, spending time with family-friends. Performing Surya Namaskar and Pranayama during these times can enhance concentration and add much needed efficiency during exam time.

Once again, wishing dear children **good luck for the exams!**

3. HIGHLIGHTS OF FEBRUARY, 2024

A. FOUNDATIONAL STAGE (Pre Primary to Grade II)

EXPERIENCE SCIENCE - EXPERIMENT MONTH: 01.02.2024 to 29.02.2024

[Album Link>>](#)

Grade 1 & 2 students participated in the Experiment month as part of National Science day. They performed the experiments by their own under the supervision of their teachers and with the guidance of their parents. Lil masters enjoyed doing the experiments and also witnessed and applauded the magic of Science done by their peers. Also they were a part of Peer teaching and learning process wherein Grade 5, 4 & 3 exhibited wonderful Science experiments to Grade UKG to 2.

VASANT PANCHAMI: 14.02.2024:

[Album Link>>](#)

As part of Vasant Panchami celebration, Foundational stage students were dressed in the shades of yellow and had a special assembly wherein their peers explained the significance of the festival and also the toddlers and lil masters witnessed the performances by their teachers. They did various class activities relevant to the festival which signified the onset of the Spring Season and also the festival dedicated to the Goddess of knowledge, language, music, and all arts.

POEM RECITATION (ENG/HINDI): 21.02.2024:

[Album Link>>](#)

Tiny tots participated in the Poem recitation competition wherein they gleefully recited English and Hindi poems of their choice. They exhibited various props relevant to their poems and their expressions and voice modulation in their own pretty way, splashed smiles and joy across the classroom.

B. PREPARATORY, MIDDLE & SECONDARY STAGE (Grade III to XII)

YEARLY EXAMINATIONS: 05.02.2024 to 15.02.2024:

[Album Link>>](#)

The Students of Grades 9 and 11 appeared for their yearly examinations.

BLESSING CEREMONY: 10.02.2024:

[Album Link>>](#)

Blessing ceremony was arranged for the students of Grades 10 and 12. The principal and the teachers addressed the students and blessed them. The Admit Cards were distributed along with a small token of love.

VASANT PANCHAMI: 14.02.2024:

[Album Link>>](#)

AISV celebrated Vasant Panchami, the festival dedicated to Goddess Saraswati as well as the festival that marks the onset of the spring season and was traditionally celebrated with full vivacity and joy. Amicians were all dressed up in yellow attire to seek Maa Saraswati's blessings, sang Saraswati Vandana melodiously, and performed Saraswati Puja and Vandana.

It endowed the Amicians with a fortuity to know more about the significance and the reason behind the celebrations. Principal Dr. Hema Abhiroop also discussed the influence of education and the importance of books in our life and expressed the importance of quality education for all for a better tomorrow.

FUTURE FORWARD SCIENCE@AISV: 19.02.2024 to 21.02.2024:

[Album Link>>](#)

A Peer Teaching activity was conducted at Preparatory stage wherein the budding Scientists of preparatory stage worked together in groups, under the guidance of our Science Educators giving them the opportunity to develop social and moral skills. Students apart from the scientific knowledge learn public speaking, skills of leadership, helping their fellow juniors of Grades UKG to 2 to understand the various projects, models, experiments and scientific terms. This peer teaching activity made them understand that "In learning you will teach, and in teaching you will learn."

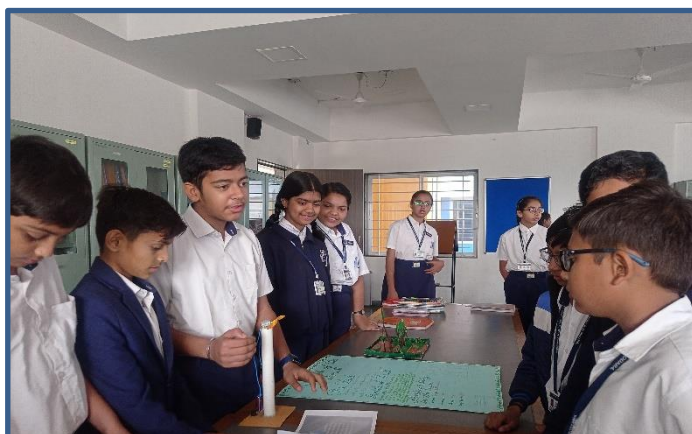

SCIENCE ACTIVITIES: 19.02.2024 to 23.02.2024:

[Album Link>>](#)

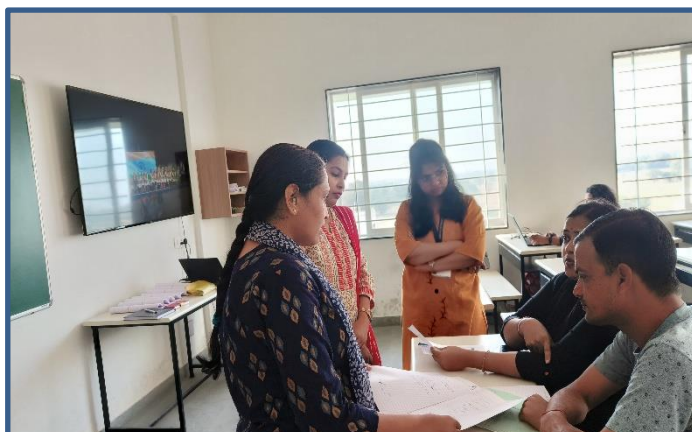

Peer learning is a great way to share experiences and while children work in a team, talk and work towards accomplishing one goal, there are a lot of skills and abilities that they acquire during the process. Students of grade 8 had conducted a quiz for grade 6 students where various rounds were included like know your scientists, rapid fire round, riddles, etc. Children of grade 6 enjoyed the quiz. Few students of grade 7 and 8, presented science demonstrations to the students of grade 5 to 8. It was a great learning experience for the students.

PARENTS TEACHERS MEETING: 23.02.2024:

[Album Link>>](#)

The Final PTM was conducted for grades IX & XI to show the academic progress for the year, the performance of students with their parents. Feedback of parents was systematically collected to cognize their ward's performance in the upcoming academic period. A healthy and holistic interaction between the teacher and the parents was the major objective for the development of their children where they discussed both the strengths and areas for improvement. The PTM concluded that collaborative efforts and mutual understanding between parents and teachers are critical for students' optimal sustenance and advancement.

NATIONAL SCIENCE DAY-SPECIAL ASSEMBLY: 28.02.2024:

[**Album Link>>**](#)

Every year, Science Day is celebrated in India on February 28 to commemorate the discovery of the Raman Effect by the Indian physicist Sir C.V. Raman in 1928. The theme for National Science Day 2023 is 'Global Science for global well-being'.

A special Assembly was held where the significance of the day was highlighted, and the contribution of various scientists was well portrayed through the speech which presented the importance of the science day, the scientific facts and inventions. This was followed by a prayer and meditation.
