Dear Parents,

We are happy to meet you through the **12th** letter of the current academic year of our school.

1. EDITORIAL

We all are glad to know about the pride moment for Gujarat - Ahmedabad to be known as **"The Sports City of India"**. President Sri Ram Nath Kovind inaugurated the newly revamped Motera cricket stadium in Ahmedabad, which has been renamed the Narendra Modi Stadium. Coupled with the Sardar Vallabhbhai Patel Sports Enclave and Narendra Modi Stadium in Motera, a Sports Complex will also be built in Naranpura. These three will be equipped to host any international sports event.

Narendra Modi Stadium is the only stadium in the world with 11 centre pitches on the main ground. Besides being the largest cricket stadium, it's also one of the most modern stadiums in the world. It is the first time that the field of an Indian cricket stadium has been fitted with LED lights. No other stadium has this feature. This stadium is an example of eco-friendly development.

This development will encourage, motivate the young ones to excel in the field of sports.

Congratulations to all of us.

March 2021 is beginning with the Annual Exams of our students. Dear Students, **DO YOUR BEST AND FORGET THE REST.**

Wish you all **GOOD LUCK!**

Road Safety and its rules are very important nowadays as there has been too much increase in vehicles on road and it becomes crucial that we follow the traffic rules and laws and save ourselves and our family from road accidents. We believe that kids start learning about road safety from a very early age and that this can lead to safer behaviours in later life. We educators conducted several activities for our little star at our school to educate them on Road Safety, Driving Rules, Signs and areas of special caution.
