Dear Parents,

We are happy to meet you through the 1st letter of the current academic year of our school.

1. EDITORIAL

We welcome all the students and parents for the coming FIRST SESSION of the school. We are beginning the school's session on 8th April, 2019.

Elections represent a direct expression of citizens' participation in democratic process. People participate in elections and choose their representative in the government. Thus, Voting is the way to express the opinion of a citizen in a democratic nation.

It is a fundamental right of every citizen that enables them to choose the leaders of tomorrow which also helps them to realize the importance of citizenship. Many people do not vote thinking one vote will not make a change, but as a matter of fact, it does.

It's the responsibility and skills of every citizen that decides which government is elected. It is the right, benefit and obligation to vote as a citizen of your nation and an individual from your society. It provides an opportunity to voice your opinion.

AMICUS INTERNATIONAL SCHOOL appeals to all the voters to cast their valuable vote.
