Dear Parents,

We are happy to meet you through the 1<sup>st</sup> letter of the current academic year of our school.

## 1. EDITORIAL

### What cannot be cured has to be endured!

The resurgence of the covid-19 cases is a matter of serious concern. Be careful, Be cautious. The virus has not gone away. The strategy to beat the virus is the same but with more efficiency in following the Covid-19 protocols and **positive attitude towards life**.

After almost the entire academic session got over in an unprecedented manner, the School is now getting ready for a **'return to new normal'** as we start preparing for the new academic session 2021-22.

Preparing for the new academic year, however, is not only the responsibility of the school but also of the parents. With a year at home, parents now need to counsel and help their kids make the transition. Please talk to your child. Educate them about safe health practices. Inform them about the pandemic and how to follow the guidelines laid out carefully. Parents also need to build confidence and counter any fear/anxiety their child might feel.

We welcome all the students and parents for the coming **THIRD ACADEMIC SESSION**. We are beginning the new session on 5th April, 2021, Monday.
