Dear Parents,

We are happy to meet you through the **1st** letter of the current academic year of our school.

1. EDITORIAL

We **welcome** all the students and parents for the coming **FOURTH ACADEMIC SESSION** of the school.

We are beginning the school's session on **4th April, 2022, Monday**.

The role of a school is not only to pursue academic excellence but also to motivate and empower the students to be **lifelong learners**. We take pride in helping them grow and develop into sensitive and responsible well-rounded personalities of the next generation.

Teamwork is the hallmark of AISV. The team tries **to motivate the late bloomers, to mould the mediocre and to challenge the gifted**.

We hope and pray the students of our school will scale great heights and keep the **AISV flag** flying high wherever they tread.

Each new school year brings joy, excitement, challenges, opportunities and anticipation. Our teachers impart information in a lucid way with illustrations, using apt teaching aids which make the subject matter simpler and easily comprehensible.

It always gives us a great pleasure to see the sea of smiling faces of children and we must admit that on many days it is the students who make our day a little brighter. With the nurturing they get from the school they would definitely become the future leaders and role models of society.

All the best dear children for a great academic year!
