Dear Parents,

We are happy to meet you through the **2nd** letter of the current academic year of our school.

1. EDITORIAL

The state education department has scrapped the no-detention policy in the primary section. From this academic year 2023-24 it is decided that the students of Classes 5 and 8 would fail if they score less than 35% in their exams. They will be given an opportunity to retake the exam in two months. If a student still does not pass, they will be detained in the same class.

This stopping of the no-detention policy will make the children more competitive right from primary school and also will encourage them to study well at this learning stage.

Have a safe and exciting vacation time with a great learning experience.

SIGNIFICANT MOMENTS

**Director CA Utpal Shah with Minister of State for Education-
