Dear Parents,

We are happy to meet you through the **2nd** letter of the current academic year of our school.

1. EDITORIAL

Glad to share the good news, India's drug regulator approved the emergency use of two **Covid-19 vaccines for children under the age of 12 years** – a milestone move that paves the way for that cohort in the country to receive a vaccine shot against the disease for the first time.

Apart from this, rising temperature is a matter of serious concern for the present generation. Proper intake of food and lots of fluid will help to keep them hydrated to remain fit and healthy. Children and the elderly are being advised to stay indoors during peak hours.

Preparing for the new academic year, however, is not only the responsibility of the school but also of the parents. With two years at home, parents now need to counsel and help their kids make the transition. Please talk to your child.

**Educate them about safe health practices, etiquette, good behaviour, etc.
Have a safe and exciting vacation time with a great learning experience.**

SIGNIFICANT MOMENT :

Managing Trustee of the school **Mr. Ranchhodbhai Shah** presenting memento to **Dr. Devanshu Patel, President, Parul University, Vadodara** in a function held at Crossword.
