Ref: 3rd /23-24/1st JUNE, 2023

Dear Parents,

We are happy to meet you through the **3rd** letter of the current academic year of our school.

1. EDITORIAL

This month has been one of the historic months of Our Developed and *New India*. Few important events happened to be remembered.

The new Parliament House is a witness to the sunrise of an **atmanirbhar bharat**, the new building is also an example of the coexistence of the ancient and the modern. As very well said by the PM Sri Narendra Modi - **Democracy is not just a system for us, it is a culture, an idea, a tradition.**

It is for the first time that **an indigenously** developed rubidium atomic clock was used in Monday's 29th May, 23 launch, by ISRO. According to the space agency, scientists earlier used imported rubidium atomic clocks to determine date and location. This spacecraft is part of the NAVIC series constellation of satellites designed to enhance monitoring and navigation capabilities.

Chennai Super Kings equaled the record for the most Indian Premier League (IPL) titles by claiming their **fifth championship**. In a joyous atmosphere filled with fireworks and celebrations, they sealed a remarkable five-wicket win over the Gujarat Titans (GT).

AISV congratulates the entire nation for such achievements.
