Dear Parents,

We are happy to meet you through the 5th letter of the current academic year of our school.

1. EDITORIAL

The month of July has mixed emotions. There are happenings of **pride moments** like the visit of our Hon'ble PM Modi to France as the **Guest of Honour** on the special occasion of the **Bastille Day celebrations**. It strengthens the bond of friendship between the two countries. With various important agreements/announcements, France has agreed to use UPI which means the Indian tourists will now be able to pay in rupees.

Another feather in the cap is India's ambitious lunar mission, **Chandrayaan-3**, launched on 14th July, 23, which is set to perform its fifth and final Earth-bound orbit-raising maneuver as it enters the final phase before leaving Earth and heading toward the Moon. **AISV congratulates** all those who have contributed to making it happen. The mission is a prime example of India's growing commitment to advancing its presence in the global space community.

On the other hand, we **pray** for the people of Saurashtra and Himachal Pradesh, who have faced the worst flood after the downpour, which have taken human lives, cattle heads, destruction of public utilities, and various kinds of damages of schemes and public and private properties.

SIGNIFICANT MOMENTS

It was an honor to attend the **Education Excellence Conclave** of principals at Ahmedabad and also being a part of the panel discussion on the topic - **Enhancing school reputation and prestige by leveraging global academic excellence**. The conclave was attended by around 200 Principals, from different parts of the country. The AISV Principal Dr. Hema Abhiroop received two awards, for the **round table speaker and one of the top 100 principals**. [Album Link>>](#)

AISV Principal Dr. Hema Abhiroop was invited as a panelist by the IPN India Team, the discussion was on the topic: **Teachonoly Enabled Learning mentioned in NEP 2020 - | How is Teachers' role changing in the technology-powered world.** [Album Link>>>](#)
