Dear Parents,

We are happy to meet you through the 6th letter of the current academic year of our school.

1. EDITORIAL

India on the Moon! Jai Vigyan Jai Anusandhaan. Mera Bharat Mahaan!

The successful landing of the indigenous **Chandrayaan - 3** is an unprecedented success of the scientists of India - which has made India the first country to reach the south pole of the Moon. History is created and it's a proud moment for all of us.

It would benefit the whole world. This mission has the objective of developing and demonstrating new technologies required for Interplanetary missions. With this, India joins an elite club of countries to achieve a soft landing on the Moon. Our Hon'ble PM Sri Narendra Modi announced the date 23rd August as the National Space Day. Also, the point at which Chandrayaan - 3 lander Vikram landed, will be called Shiv Shakti Point.

Heartiest congratulations from the AISV to the scientists at ISRO and the Nation.

Another pride moment for all of us - Indian superstar **Neeraj Chopra** created history by winning the **gold medal in the Javelin throw** event at the **World Athletics Championships** held in Budapest. He is the first Indian to achieve this feat at such a prestigious event. It's another achievement to celebrate. Congratulations to the Shining India.

September 2023 is one of the months of the Indian festivals which are celebrated with family and friends. Best wishes for a full fun time during the special days but the students need to study well too as the Half Yearly Exams are just around the corner. **All the very best to dear children!**
