Dear Parents,

We are happy to meet you through the **8th** letter of the current academic year of our school.

1. EDITORIAL

This year has been a year that helped us discover our strengths. We didn't allow the consequences of the pandemic to crush our spirits. As we celebrate the joyous festival "**Diwali**" this year, it is important to undertake precautions due to the spread of the pandemic however let us not dampen the festival spirit. By maintaining physical distancing, we will keep ourselves and our loved ones safe. Physical distancing doesn't really mean that we can't visit our loved ones at all. If we practice enough caution, we can avoid the spread of the virus.

Diwali is also a time when we thank Goddess Lakshmi for all the blessings and ask her to continue showering the same on us. The pandemic has by force made us realize the value of those things that we might have taken for granted. Having a positive attitude will spread happiness and improve our mental well-being. It will light up and brighten up Diwali much more than the lanterns, diyas and rangolis. Celebrate a cracker less Diwali or get eco-friendly crackers.

We wish you all A Very Happy Diwali and a prosperous New Year!
