Dear Parents,

We are happy to meet you through the 9th letter of the current academic year of our school.

1. EDITORIAL

The outbreak of COVID-19 has taught us that change is inevitable. As the students struggle to learn from home, parents' gratitude for teachers, their skills, and their invaluable role in student's well-being has risen. They ensure that there isn't a slowdown when it comes to their child's growth and he/she is regular in his/her online classes.

In the present situation, there is an uncertainty about when the schools and colleges will reopen. Needless to say, the pandemic has transformed the centuries-old chalk-talk teaching model to one driven by technology. AISV appreciates the parents' understanding and cooperation in making the "Online Classes" a great success in this challenging time.

We all are aware that presently India is witnessing a rapid surge in the number of COVID-19 cases. The Government of India and the health care providers have been relentless in their efforts. The citizens must also help support the fight against the pandemic by adhering to government advisories of containment and social distancing.

We should avoid super-spreader events and celebrate sensibly. At the moment, precaution is the only measure. Wear the mask when you talk to others and avoid unnecessary outings. Stay Safe.

2. SCHEDULE FOR DECEMBER, 2020

ACTIVITIES / CELEBRATIONS TO BE HELD IN DECEMBER, 2020.
