Sanskrit	छत्रो को कण्टकेनैव कण्टकम् का अभ्यास कार्य करवाया। और नया पाठ गृहं शून्यं सुतां विना का पठन किया और विडियो देखा।
Gujarati	વિદ્યાર્થીઓએ અનુલેખન સ્પર્ધામાં ભાગ લીધો.
Computer	Discussed textual exercise of chapter Web Designing and started a new chapter Artificial Intelligence wherein students came to know about artificial Intelligence and Turing Test.
Gurukulam	Gurukulam was conducted by the students wherein they learned prayers, breathing exercises, concentration technique, healing technique, and cosmic chants. The session gave all a chance to close their eyes and introspect, attain a few moments of calm and time with "Self".
Music	Students learned <i>Kadam Kadam badhaye ja patriotic</i> song and <i>Vijayi vishwa Tiranga</i> song
Dance	Students learnt to dance to the song <i>Pasoori</i> and danced to the song they have learnt before.
Library time	Students enjoyed free reading in library class. Library books issued for the students.
Art & Craft	Students made a poster on the WNCDC. Object drawing with pencil shading in the drawing book.
Personality Development	Students were guided and performed to enhance the public speaking skill

Secondary Section

Grade 9

English	Letter of Order in writing skill was done and Question -Answers were completed from chapter The Little Girl .
Mathematics	Continuing chapter Triangle . An activity was conducted in class to show the criteria of congruence, and solved the textual examples.
Science-Physics	Continuing with the chapter, Forces and Laws of Motion , the second law of motion was discussed with the students with examples and numerical related to the same were solved in the class.
Science-Chemistry	Started with a new chapter Atoms and molecules in which topics; law of conservation of mass, and general introduction of atoms and molecules were covered.
Science-Biology	The types of connective tissues- The proper and fluid connective tissues were explained from the chapter Tissues .
Science Lab	The students completed their journal work.
Hindi	विद्यार्थियों ने 'संचयन' पाठ्य पुस्तिका के पाठ- 2 'स्मृति' कहानी को पढ़ा एवं समझा ।
Social Science-Geography	In the chapter, Physical Features of India students understood the difference between western and eastern coastal plains. Discussion of the island group of India was done along with the importance of variety in physical features
Social Science-Economics	Students were introduced with the new chapter Constitutional Design , wherein they came to know about constitutional law.
Computer	Completed chapter Creating a spreadsheet wherein students learnt about important features of spreadsheet, workbook, worksheet and editing data in spreadsheet.
Gurukulam	Gurukulam was conducted by the students wherein they learned prayers, breathing exercises, concentration technique, healing technique, and cosmic chants. The session gave all a chance to close their eyes and introspect, attain a few moments of calm and time with "Self".
Library time	Students enjoyed free reading in library class. Library books issued for the students.

Grade 10

English	Supplementary Reader Chapter, The Thief's Story was read and explained. The question - answers were completed in the class. HOT questions were discussed and given as homework.
Mathematics	Continuing with the chapter Circle . Discussed tangent, concentric circle, circumscribe circles, and also solved problems based on it.

Science-Physics	Continuing with the chapter, Human Eye and the Colourful World , the terms like dispersion of light, spectrum of light, dispersion of white light through a prism, formation of rainbow and atmospheric refraction phenomenon were discussed with the students.
Science-Chemistry	Started a new chapter Metals and nonmetals in which topics; physical properties of metals and nonmetals were done in the classroom.
Science-Biology	The types of Endocrine system in the Human body, the hormone released and functions were explained from the chapter Control and coordination .
Hindi	विद्यार्थियों ने 'संचयन' पाठ्य पुस्तिका के पाठ- 3 'टोपी शुक्ला' कहानी को पढ़ा।
Social Science-His	In the chapter, Nationalism in India students understood the perception of different sections of society for the two important movements- Non-cooperation movement and Civil disobedience movement.
Computer	Completed the chapter Entrepreneur and Entrepreneurship wherein students learnt about entrepreneur, role and importance of entrepreneurship, qualities of a successful entrepreneur and functions of an entrepreneur.
Gurukulam	Gurukulam was conducted by the students wherein they learned prayers, breathing exercises, concentration technique, healing technique, and cosmic chants. The session gave all a chance to close their eyes and introspect, attain a few moments of calm and time with "Self"

Grade 11- Science

English	In Writing Skill: Note-making and Subtitling topics were covered and practiced. Chapter, The Summer of a Beautiful White Horse is going on .
Physics	The chapter, Motion in a straight Line was completed in the class and a new chapter, Motion in a Plane was introduced. The various terms related to scalars and vectors and position and displacement vectors were explained to the class.
Chemistry	Continuing the chapter Structure of Atom in which the topics; wave nature and particle nature of electromagnetic radiation , photoelectric effect were covered. Some textual exercises were done in the classroom.
Biology	Continuing the chapter Cell- The basic unit of life , where the structure and functions of various Eukaryotic cell organelles were explained.
Mathematics	Chapter Permutation and combination was completed and introduced

	a new chapter Trigonometry
Computer	Continuing with the number system conversion wherein students learnt about conversion from binary to decimal, octal to decimal, hexadecimal to decimal, octal to binary and hexadecimal to binary conversion. Practically they learnt how to install PYTHON and practised some simple programs in python.

Grade 11- Commerce

Business Studies	Students were explained about the Industries.
Economics	New chapter was introduced, Collection of Data , wherein students came to know about how data collection is done in internal sectors.
English	In Writing Skill: Note-making and Subtitling topics were covered and practiced. Chapter, The Summer of a Beautiful White Horse is going on .
Computer Science	Continuing with the number system conversion wherein students learnt about conversion from binary to decimal, octal to decimal, hexadecimal to decimal, octal to binary and hexadecimal to binary conversion. Practically they learnt how to install PYTHON and practised some simple programs in python.

EVENTS AND CELEBRATIONS

Kargil Vijay Diwas: (23/07/2022)

To commemorate Kargil Vijay Diwas which is celebrated on July 26 every year, a special talk on the Indian Armed Forces was organised by Amicus International School, Vadodara for the students of grades VII to XI.
