English	<b>Tenses And the Usage</b> is in continuation. Explanation along with practising sentences are being done in the class.
Physics	The topic of dot product and cross product of two vectors was explained to the students from the chapter, ' <b>Motion in a plane</b>
Chemistry	Continuing with chapter <b>Structure of Atom</b> from which topics; types of quantum numbers and the shape of s and p orbitals were explained. Students appeared for a class test.
Biology	The characteristics, mode of nutrition, mode of reproduction and economic importance of the groups <b>Bryophytes &amp; Pteridophytes</b> were compared and discussed giving suitable examples.
Mathematics	Continuing the chapter <b>Trigonometric functions</b> . Textual exercises were solved
Computer	Students came to know about different operators used in Python Unary Operators and Binary Operators. Practically students created some simple python programs.

### Grade 11- Commerce

Business Studies	Students were explained about the various Forms of <b>Business Organisation</b> like Sole Proprietorship, Joint Hindu Family Business and Partnership.
Economics	Students were explained the topics merits and demerits of <b>methods of collecting primary data</b> and difference between <b>direct personal investigation and indirect oral</b>

	<b>investigation.</b>
English	<b>Tenses And the Usage</b> is in continuation. Explanations along with practising sentences are being done in the class.
Computer Science	Students came to know about different operators used in Python Unary Operators and Binary Operators. Practically students created some simple python programs.

## EVENTS AND CELEBRATIONS

### • '75 Azaadi Ka Amrit Mahotsav' - 75 unsung heroes of the freedom struggle.

Students of grade 7 to 10 took part in an activity to celebrate '75 Azaadi Ka Arit Mahotsav'. To know more about the **75 Unsung heroes of the freedom struggle**

students brought sketch/drew/wrote about 75 alive stories of the unsung heroes whose sacrifices had made freedom a reality for us and presented in the classes.

### • 76th Independence day celebration: (Grade 3 to 11)

Independence Day was celebrated with great enthusiasm and patriotic fervour on **12th August, 2022** in the school ground with the staff, students of Grade 3 to 11 to mark the 76th year of freedom from British rule. On this special occasion, the programme started with flag hoisting by the Principal **Dr. Hema Abhiroop**. The principal addressed the gathering appealing to their nationalistic spirit and urging them to take pride in being an Indian and fulfilling one's duty with responsibility

This was followed by a musical rendition, dance programs and skit by the students of different grades that awakened everyone's feelings towards the motherland. Indeed, it was a day of joy, a day to love and respect our country and make it a better place for Indians to live and experience the freedom, peace and unity in diversity.
