## **SECONDARY STAGE - INTERNATIONAL YOUTH DAY CELEBRATION - 11TH AUGUST 2023**

The INTERNATIONAL YOUTH DAY is dedicated to the role that young women and men play in bringing change in tackling global issues and achieving sustainable development. The theme for this year's Youth day is **Green Skills for Youth: Towards a Sustainable World**.

On the occasion, a special assembly was conducted by the students of Grade 9 to 12. Various programs like Talk, Speech on organ donation, Group song, Nukkat Natak etc were presented. The main message conveyed through the programs were "Today, the world is embarking on a green transition. The shift towards an environmentally sustainable and climate-friendly world is critical not only for responding to the global climate crisis but also for achieving the Sustainable Development Goal. A successful transition towards a greener world will depend on the development of green skills in the population. Green skills are "knowledge, abilities, values and attitudes needed to live in, develop and support a sustainable and resource-efficient society".
