

Students were given a school tour to acquaint them with the learning zones and the areas where they may visit frequently.

Students were briefed about the class timetable and also the academic and operational aspects were briefed by the teachers. Books collection were done. Also the takeaways were gifted to the students on the first day.

Thus, the students were made comfortable and familiarised with the new school environment!

A surprise Welcome letter was put up by the class teacher for the students at the end of the day!!
