Dear Parents

Greetings!

Pre-Primary & Primary/Secondary Weekly Report of 1st WR- 3rd APRIL TO 7th APRIL 2023

Nursery to C2(FS)

ASSEMBLY TIME

Affirmations

Birthday Celebration

NURSERY TO C2 (FS)

3rd April 2023, Monday/5th April 2023, Wednesday - Welcome back to school!

New Academic session, new classroom, new friends, new teacher, new books - it's going to be an exciting year!

New beginnings, New initiatives, New adventures & New challenges!

The Kindergarten was energized and refreshed when the Tiny tots stepped into the School premise on 3rd April 2023, Monday, while for Grade 1 & above school

reopened for them on 5th April 2023, Wednesday!

Few blooming buds with curious and anxious expressions were observing the things going around, while few had their hands tightened to their mother's shoulder and were a little reluctant to get down and walk to the Kindergarten alley! While a few Little stars with twinkling eyes and wide smiles walked to their classrooms, joyfully. Grade 1 & 2, straight went to the playground for school assembly and thereafter were directed to their respective classrooms.

Toddlers were welcomed by tikka on the 1st day of school. Introductory session was done wherein the name of classteacher, buddy teacher, caretakers were shared and also the meaning of their name was shared. And also the names of students were asked with their meaning - and who were not aware about the same, they were asked to ask their parents.

The week continued with prayer, warm up exercise, book collection, rhymes, stories, floor activities, games with peers, school tour, visual learning, maze, freeplay, birthday celebration, recapitulations of the previous grade and also few activity based learning and class engagement activities were done.

Thus, the introductory days to the school for Nursery to Grade 2 went on with a vibrant bliss and wishing all to play, keep learning and grow together!

We're Going Back To School

Primary Section

Gujarati	વિદ્યાર્થીઓએ "માના ગુણ" કવિતાનું ગાન કર્યું. પ્રશ્નો ની ચર્ચા કરી તેમજ અઘરા શબ્દોનું લેખન કર્યું. માં નું જીવન માં મહત્વ ની ચર્ચા કરી.
Computer	Students were introduced to a new chapter-" Functions and Formulas in MS Excel " wherein they came to know about how to use formulas in Excel to do calculations easily.
Gurukulam	Gurukulam was conducted by the students wherein they learned prayers, breathing exercises, concentration technique, healing technique, and cosmic chants. The session gave all a chance to close their eyes and introspect, attain a few moments of calmness and time with "Self".
Art & Craft	C-7 Form and Shadow: They have drawn three objects (boxes) and a bulb to understand the direction of the light and shadows.

Dance	Students learnt to dance to the song "Tik tik kasam ye kai hai" . It's a song based on the environment related to earth day.
Music	Interactive session was done and Students learnt cosmic chant
Library time	Students refer to the library books in the library period.
PE	They played Football and Cricket in PE Class.

Grade 8

English	"Shoes of the World" was read and explained to the students. The students completed some of the textual exercises.
Mathematics	Students were introduced to a new chapter 'Rational Numbers', wherein they came to know about rational numbers, properties of rational numbers and comparison of rational numbers. Students were introduced to chapter 3 - Squares and square roots. Explanation of squares & its properties was done in the class and based on it a few questions from exercise 3.1 were solved.
Science	Students were introduced to a new chapter ' Crop Production and Management ', wherein they came to know about different types of crops, methods of crop production, loosening of soil, levelling of soil, sowing of seeds, broadcasting, seed drill, transplantation, improving soil fertility by adding manures and by adding fertilisers.
Social Science - (History)	Students were introduced with a new chapter ' How, When and Where '. Students came to know about the significance of dates in history and periodisation of History by James Mill.
Sanskrit	छात्रों ने संस्कृत व्याकरण का पुनरावर्तन किया ।
Gujarati	વિદ્યાર્થીઓએ "મંદિર તારું વિશ્વ રૂપાળું" કવિતાનું ગાન કર્યું તેમજ મંદિર ની વિશેષતાઓ વિશે જાણકારી મેળવી.
Hindi	विद्यार्थियों ने पाठ- 1 'हिन्दुस्तान हमारा है' कविता' के भावार्थ को समझा एवं प्रश्नोत्तरों पर चर्चा की।

Computer	Students were introduced to a new chapter-" Technology used Today and Tomorrow " wherein they learned about the IOT .
Gurukulam	Gurukulam was conducted by the students wherein they learned prayers, breathing exercises, concentration technique, healing technique, and cosmic chants. The session gave all a chance to close their eyes and introspect, attain a few moments of calmness and time with "Self".
Art & Craft	C-8 students have drawn a colour wheel to understand the colour values in their sketch book.
Music	Interactive session was done and Students learnt cosmic chant
Dance	Students danced to their favourite songs on the first day of school.
Library time	Students enjoyed the interactive session on library activity, rules & regulation, Explained about how to issue and return the book (circulation process).

Secondary Section

Grade 9

English	Poem, "The Road Not Taken," was explained and the question-answers were completed.
Mathematics	Introduction, Ex. 1.1 and 1.2 were done from the chapter Number System . New chapter started " Euclid Geometry " in class and explained Axiom, definition, Postulate.
Science-Physics	The topics - Motion, Distance , displacement and Quantities were explained from the chapter Motion .
science- Chemistry	Introduced a new chapter Matter in our surroundings . wherein they came to know about matter, nature of particles of matter and characteristics of particles of matter.
Social Science - (History)	Students were introduced with a new chapter ' The French Revolution '. Students came to know about the system of governance during the 18th century.
Social Science - (Economics)	Students were introduced with a new chapter ' A story of Village Palampur '. Wherein they came to know about the factors of production in our day today life.

Hindi	विद्यार्थियों ने संचयन पाठ्य पुस्तक के पाठ- 1 'गिल्लू' कहानी को पढ़ा एवं समझा।
Computer	Students were introduced to Digital Documentation i.e MS Word wherein they learned how to create WELCOME card by using various options available in MS WORD.
Gurukulam	Gurukulam was conducted by the students wherein they learned prayers, breathing exercises, concentration technique, healing technique, and cosmic chants. The session gave all a chance to close their eyes and introspect, attain a few moments of calmness and time with "Self".
Art & Craft	Told them a short story of a boy. This is to understand how to introspect yourself. Also asked them to write a quote on 'WORLD ART DAY'. They will write it on a A4 white or colourful paper.
PE	They played Football in PE Class.

Grade 10

English	Unit3: First Flight , was explained and the question-answers were completed.
Mathematics	Completed chapter " Polynomial " and started a new chapter " Linear equation with two variables " with examples of real life problems.
Physics	The concept of Refractive index, and refraction of light through a glass slab were explained from the chapter, ' Light : Reflection and Refraction '.
Chemistry	Types of chemical reactions (combination and decomposition reactions) were explained with the help of experiments in the chemistry lab from the chapter Chemical Reactions and Equations .
Biology	The concept of Inhalation and Exhalation were explained from the chapter Life processes . Introduction to the topic Circulatory system was given.
Social Science - Geography	Students came to know about the types of soil in India in the ongoing chapter ' Resources and Development '. Later they did mapping of major types of soil.
Hindi	विद्यार्थियों ने स्पर्श पाठ्य पुस्तक के पाठ 'तीसरी कसम के शिल्पकार-शैलेंद्र' को पढ़ा एवं प्रश्नोत्तरों पर चर्चा की।

Computer	Students were introduced to a new chapter-" Insert and use images in Document " using Open Office wherein they learned how to insert image,options to modify,crop and delete image,resizing, grouping drawing objects and positioning image in the text.
Gurukulam	Gurukulam was conducted by the students wherein they learned prayers, breathing exercises, concentration technique, healing technique, and cosmic chants. The session gave all a chance to close their eyes and introspect, attain a few moments of calmness and time with "Self".
PE	They played cricket in PE Class.

Grade 12- Science

English	Poem: Keeping Quiet was read and explained in the class. The summary was given to the students.
Physics	Test was done from the Chapter ' Electromagnetic Waves ', the topics- Total Internal Reflection, Critical angle and its derivation, Application of Total Internal Reflection, refraction by spherical surfaces and lenses were explained from the chapter ' Ray Optics and Optical Instruments '.
Chemistry	Henry's law and its applications,Raoult's law ,ideal and non ideal solutions,colligative properties(relative lowering in vapour pressure, Elevation of boiling Point)were explained in the chapter Solutions .
Biology	Types of contagious diseases, pathogens, symptoms and the Human immune system were explained in the chapter Human Health and Diseases
Mathematics	Completed chapter " Inverse Trigonometric Function " with all textual exercises. Started a new chapter " Relations and functions ". Discussed One to one and onto functions and type of relations.
Computer Science	Students were introduced to MYSQL . Steps to install MYSQL were explained to them.All the DDL Commands were explained to them and practically they did the same.
Gurukulam	Gurukulam was conducted by the students wherein they learned prayers, breathing exercises, concentration techniques, healing techniques, and cosmic chants. The session gave all a chance to close their eyes and introspect, attain a few moments of calmness and time with "Self".

Grade 12- Commerce

Business Studies	Students were made to understand the provisions of the Consumer Protection Act, 2019. They now have the knowledge of who is a consumer who can file a complaint and for what reasons a complaint can be filed. Also, they are now able to recognize logos for standards of various products.
Accountancy	Students have been given the knowledge and understanding of profitability ratios. They will be able to apply their understanding to solve complex sums on these ratios.
Macro Economics	Students came to know about the circular flow of national income in two sectors of the ongoing chapter ' National income and accounting '.
English	Poem: Keeping Quiet was read and explained in the class. The summary was given to the students.
Computer Science	Students were introduced to MYSQL . Steps to install MYSQL were explained to them. All the DDL Commands were explained to them and practically they did the same.
Gurukulam	Gurukulam was conducted by the students wherein they learned prayers, breathing exercises, concentration technique, healing technique, and cosmic chants. The session gave all a chance to close their eyes and introspect, attain a few moments of calmness and time with "Self".

EVENTS & CELEBRATIONS:

BEFRIEND READING

BOOK GIFTED ON MY BIRTHDAY:

Name of the child	Grade	Date	Title of the book
Rudra Rana	3-B	06-04-2023	Catstronauts
Shashvat Chauhan	2-B	05-04-2023	151 Moral Stories
Atharv Bhavsar	LKG-D	07-04-2023	Animal Shape Book - Dog
