Sanskrit	छात्रों को "समवायो हि दुर्जयः" पाठ का पठन किया ,भाषांतर किया और अभ्यास कार्य किया।
Computer	Started a new chapter- " <b>Python programming</b> " wherein students learned about the python basics and how to create a simple python program using python IDLE.
Gurukulam	Gurukulam was conducted by the students wherein they learned prayers, breathing exercises, concentration technique, healing technique, and cosmic chants. The session gave all a chance to close their eyes and introspect, attain a few moments of calm and time with "Self"

### Grade 8

English	<b>Chapter: Active and Passive Voice</b> was explained using examples for different aspects of the Tenses. Students have solved a few exercises based on the topic.
Mathematics	Continuing with the chapter " <b>Percentage and its Application</b> " students were able to solve examples on application of percentage like profit and loss.
Science-Bio	Continuing the chapter " <b>Some Natural Phenomenon</b> ", wherein they came to know about the charging by induction and charging by conduction, testing of charges and properties of charges.
Science physics	- How do Humans hear Sound? from the chapter <b>Sound</b> was discussed with students.
Social Science - Civics	Civics ch-6 " <b>Understanding the Criminal Justice System</b> " has been completed.
Sanskrit	छात्रों को काव्य "नीतनवनितं " का श्लोक पठन किया ,भाषांतर किया और अभ्यास कार्य किया।
Hindi	विद्यार्थियों ने हिंदी व्याकरण में पाठ- 15 'अलंकार' को पढ़ा एवं समझा।

Computer	Continuing with the chapter- " <b>More Python</b> ," students learned about function definition, function call, function return statement and different data structures used in python.
Gurukulam	Gurukulam was conducted by the students wherein they learned prayers, breathing exercises, concentration technique, healing technique, and cosmic chants. The session gave all a chance to close their eyes and introspect, attain a few moments of calm and time with "Self".

## Secondary Section

### Grade 9

English	<b>Poem: A Slumber did My Spirit Seal</b> was read and explained in the class.
Mathematics	Completed the chapter " <b>Surface Area and Volume</b> " and showed experiment on the surface area of the sphere and derived formulas. Also completed the textual exercises.
Science-Chemistry	Revision of the chapter atoms and molecules was done in the class. Students solved some extra questions from the chapter.
Science- Physics	The concept of Thrust and pressure and its effects with examples were explained to the students, from the chapter, ' <b>Gravitation</b> '.
Science- Biology	Students were explained about the need and importance of animal husbandry, from the chapter <b>Improvement in food resources</b> .
Hindi	विद्यार्थियों ने हिंदी व्याकरण में 'अनुस्वार व अनुनासिक' को पढ़ा एवं समझा।
Computer	Completed the chapter- " <b>Charts using Ms Excel</b> ". Students performed practical based on Charts in Ms Excel.
Gurukulam	Gurukulam was conducted by the students wherein they learned prayers, breathing exercises, concentration technique, healing technique, and cosmic chants. The session gave all a chance to close their eyes and introspect, attain a few moments of calm and time with "Self".

### Grade 10

English	<b>Chapter: The Necklace</b> was read and explained to the students. <b>Grammar: Reported Speech</b> was explained based on different aspects of the tenses.
Mathematics	Completed the chapter " <b>Statistics</b> " and also solved textual examples of it.
Science- Physics	The working of Electromagnets, its properties and force acting on a current carrying conductor in a magnetic field was explained from the chapter, ' <b>Magnetic Effects of Electric Current</b> '.
Science- Chemistry	Continuing the chapter <b>Carbon and its compounds</b> Nomenclature of carbon compounds and Functional groups were introduced to the students.
Science- Biology	Revision of the chapter <b>Heredity and evolution</b> was taken
Hindi	<b>विद्यार्थियों ने हिंदी व्याकरण में 'कर्मधारय समास' को पढ़ा एवं समझा।</b>
Computer	Students learned about " <b>Macros in calc</b> ". Practical based on Macro was done in the class wherein students learned about-Macro Recording, creating function and passing arguments to the function.
Gurukulam	Gurukulam was conducted by the students wherein they learned prayers, breathing exercises, concentration technique, healing technique, and cosmic chants. The session gave all a chance to close their eyes and introspect, attain a few moments of calm and time with "Self"

### Grade 11- Science

English	<b>The Play: Mother's Day</b> was introduced to the students where they learnt about the main characters and the Scene 1 was explained to them.
Physics	The concept of Torque and Angular momentum was explained to the students from the chapter, ' <b>System of Particles and Rotational Motion</b> '.
Chemistry	Started a new chapter <b>Hydrocarbons</b> in which classification of Hydrocarbons and methods of preparation of Alkane were discussed.
Biology	The structure and function of different plant tissue systems was discussed from the chapter <b>Morphology of flowering plants</b> .

Biology Practical	Students observed various permanent plant tissues under the microscope Students identified stomata in the leaf peel.
Mathematics	Continuing with the chapter " <b>Straight Line</b> " and solved textual examples of it. Revision of a few topics for HYE.
Computer	Completed chapter-"The Strings" wherein students learned about various methods of string. A new chapter -"LISTS " - has also started wherein topics-List, accessing elements of the list were discussed in the class .

### Grade 11- Commerce

Business Studies	The topic, 'Corporate Social Responsibility and Business Ethics,' was explained to the students.
English	<b>The Play: Mother's Day</b> was introduced to the students where they learnt about the main characters and the Scene 1 was explained to them.
Computer Science	Completed chapter-"The Strings" wherein students learned about various methods of string. A new chapter -"LISTS " - has also started wherein topics-List, accessing elements of the list were discussed in the class .
