Hindi	विद्यार्थीओ को बढे चलो, बढे चलो, काव्य का अभ्यास कार्य करवाया   और नया पाठ बालक चंद्रगुप्त का विद्या देखकर समजा और बाद में उसके शब्दार्थ, कठिन शब्द और प्रश्नों के उत्तर के बारे में चर्चा की
Gujarati	વિદ્યાર્થીઓએ "મીઠું અને ચીનુ" પાઠની સમજ મેળવી ,વાંચન કર્યું અને પ્રશ્નોની ચર્ચા કરી.
Sanskrit	विद्यार्थीओ का संस्कृत लिंग का मूल्यांकन किया  और नया पाठ क्रियापद -परिचय लट् लकारः (वर्तमान काल) शुरु किया और उसके बारे में समजाया
Computer	Students enhance their knowledge about various processes that take place when a computer is Booted up, data exchange between devices, Secondary storage devices, bluetooth , Wi-Fi and NFC.
Gurukulam	Gurukulam was conducted by the students wherein students learned prayers, breathing exercises, concentration technique, healing technique, and cosmic chants. The session gave all a chance to close their eyes and introspect, attain a few moments of calm and time with "Self".
Dance	Students are learning to dance to the song 'Shapes of you', Fusion, classical and western dance for the upcoming international dance day.

Library time	Books like 'Moral stories, Champak and Gaptopedia' were given to the students to improve their reading habits.
Music	Students learnt shloka, world earth day song and alankars.
Personality Development	The students were guided about the ways in which they can introduce themselves. They learned about the posture and voice modulation to keep a check on while speaking. The students one by one introduced themselves in front of their classmates.

### Grade 6

English	Students enhance their grammar skills on the topic ' <b>Noun</b> '.
Mathematics	Continuing the chapter ' <b>Number System</b> ', students came to know about the Roman Numerals with symbols. Also they solved the textual exercise related to this.
Science	The chapter ' <b>Food and its Sources</b> ' was completed with the discussion of textual questions and answers.
Social Science	The chapter, ' <b>Earth in the Solar System</b> ' was completed in the class. Students understood about the celestial bodies and got the chance to experience live movement of the celestial bodies through the website- Nasa Science Solar System exploration.
Hindi	विद्यार्थियों ने पाठ- 2 'सरस्वती पाठशाला' संस्मरण (डॉ. रामविलास शर्मा) को पढ़ा एवं समझा।
Gujarati	વિદ્યાર્થીઓએ "મારી શાળા" કાવ્યની સમજ મેળવી , ગાન કર્યું તથા પ્રશ્નો ની ચર્ચા કરી.
Sanskrit	विद्यार्थीओ ने शब्द परिचय <b>1</b> का अभ्यास कार्य किया   और नया पाठ शब्द परिचय <b>2</b> का और उसमे आये स्त्रीलिंग और वचन के बारे में समजाया   और बाद में भाषांतर किया
Computer	Students came to know about steps in using Mail Merge for a document and also created an invitation letter for a birthday party consisting information of friend's names, address.
Gurukulam	Gurukulam was conducted by the students wherein students learned prayers, breathing exercises, concentration technique, healing technique, and cosmic chants. The session gave all a chance to close their eyes and introspect, attain a few moments of calm and time

	with "Self".
Dance	Students learning to dance to the song 'Shapes of you', Fusion, classical and western dance for the upcoming international dance day.
Art & craft	Students did the hand printing on four edges of the chart paper, and wrote World art day in the center.
Music	Students learnt shloka and alankars, and also learnt some basic information about music.
Library time	Books like 'Moral stories, Champak and Gaptopedia' were given to the students to improve their reading habits.
Personality Development	The students were guided about the ways in which they can introduce themselves. They learned about the posture and voice modulation to keep a check on while speaking. The students one by one introduced themselves in front of their classmates.

## Grade 7

English	Topics in Grammar, <b>Types of Nouns</b> were explained, notes were given and exercises were done in the book. <b>Adjectives</b> and types of Adjectives were discussed and explained, notes were given. Exercises of Adjectives were done. <b>Pronouns</b> and types have been explained.
Mathematics	Continuing the chapter ' <b>Integers</b> ', wherein they learnt the properties of the division of integers. Also, they did the textual exercise related to this.
Science	From the chapter ' <b>Nutrition in plants</b> ' introduction of heterotrophic plants and their types nutrition were discussed with examples. Revival of soil nutrients was also discussed with students .
Hindi	विद्यार्थियों ने पाठ- 2 'निर्णय का अभिवादन' कहानी को पढ़ा एवं समझा।
Computer	Students enhance their knowledge about different file formats, computer Memory and evolution of storage devices. They came to know about cloud storage and flash memory.
Gujarati	વિદ્યાર્થીઓએ "પ્રકૃતિનું સૌંદર્ય" કાવ્યની સમજ મેલો તેનું ગાન કર્યું અને પ્રશ્નોની ચર્ચા કરી.
Sanskrit	विद्यार्थीओ को सुभाषितानि का अभ्यास कार्य किया   और नया पाठ दुर्बुद्धिः विनश्यति का पठन किया और शब्द सह भाषांतर किया

Gurukulam	Gurukulam was conducted by the students wherein students learned prayers, breathing exercises, concentration technique, healing technique, and cosmic chants. The session gave all a chance to close their eyes and introspect, attain a few moments of calm and time with "Self".
Dance	Introduction between the students and teacher was done and they started learning the dance to the new song "Shapes for you"
Music	Students learnt shloka and alankars, and also learnt some basic information about music.
Library time	Students were given a task of book reviewing, and they noted down the title for the same from the library.
Personality Development	The students were guided about the ways in which they can introduce themselves. They learned about the posture and voice modulation to keep a check on while speaking. The students one by one introduced themselves in front of their classmates.

### Grade 8

English	Question and Answers of the chapter <b>Tanni Grey Thompson</b> was completed. Poem: <b>Nine Gold Medals</b> was explained and Questions and Answers are going on. In grammar, <b>Pronouns and Types</b> are going on.
Mathematics	Continuing with the chapter ' <b>Rational Numbers</b> ' & explained distributive property, identity for sum and reciprocal. Students solved the sums of textual exercises.
Science - Biology	Students came to know about harvesting, different types of traditional and modern methods of irrigation, weeding and pest control, harvesting, threshing, winnowing, hulling, milling and storage of crops from the chapter ' <b>Crop Production and Management</b> '
Science - Chemistry	The difference between the properties of metals and non-metals were explained from the chapter ' <b>Metals and non metals</b> '
Social Science - Civics	Students came to know about ' <b>The Indian Constitution</b> '. Wherein they came to know about the rights of citizens, save for ourselves, minority & right of equality.

SocialScience- Geography	The chapter, " <b>Resources</b> " was completed along with discussion of questions and answers. A new chapter in history was introduced in the class.
Hindi	विद्यार्थियों ने पाठ- 2 'खुशी की तलाश' लोक कथा को पढ़ा एवं समझा।
Gujarati	વિદ્યાર્થીઓએ ન"માંગુ હું તે આપ" કાવ્યના પ્રશ્નોની ચર્ચા કરી અને પાઠ્ય-પુસ્તકમાં લેખન કર્યું.
Sanskrit	विद्यार्थीओ ने सुभाषितानि का अभ्यास कार्य किया और समजा ।
Computer	Students enhance their knowledge about Smart Homes, Smart Cars, Smart Grids, Industrial IoT and wearable gadgets . Difference between Augmented Reality and Virtual Reality was also explained in the class.
Gurukulam	Gurukulam was conducted by the students wherein students learned prayers, breathing exercises, concentration technique, healing technique, and cosmic chants. The session gave all a chance to close their eyes and introspect, attain a few moments of calm and time with "Self".
Dance	Students are learning to dance to the song 'Shapes of you', Fusion, classical and western dance for the upcoming international dance day.
Personality Development	The students were guided about the ways in which they can introduce themselves. They learned about the posture and voice modulation to keep a check on while speaking. The students one by one introduced themselves in front of their classmates.

## Secondary Section

### Grade 9

English	<b>Present, Past and Future Tenses</b> and types were completed and a worksheet was given to solve.
Mathematics	Completing the chapter ' <b>Number System</b> ' solving all textual exercises. Students have completed the notebook and Lab Manual.
Science - Physics	Difference between distance and displacement with examples, uniform and non-uniform motion, speed, average speed, velocity, average velocity were explained from the chapter, ' <b>Motion</b> '. The numericals related to

	the topics were solved by the students.
Science - Chemistry	Continuing the chapter ' <b>Matter in our surroundings</b> ' Density of matter and difference between solid, liquid & gas were discussed ,
Science - Biology	The properties of plasma membrane, Osmosis , Diffusion and Plasmolysis were explained from the chapter ' <b>The fundamental units of life</b> '
Science Lab work	Students observed the different parts of a microscope and later the ' <b>Sclerenchyma</b> ' cells.
Hindi	विद्यार्थियों ने स्पर्श पाठ्य पुस्तक के पाठ- 2 'एवरेस्ट: मेरी शिखर यात्रा' (पर्वतारोहण यात्रा- बर्चेंद्री पाल) को पढ़ा एवं समझा।
Social Science-Economics	Students were able to know about <b>farming activity of Palampur, land sustainability, farmers income.</b>
Social Science-Geography	The Chapter, ' <b>India- Size and Location</b> ' was completed along with discussion of questions and answers. Students appeared for a class test.
Computer	Students were introduced to a new chapter-' <b>Various Methods of Communication</b> ' wherein they came to know about verbal, non-verbal and visual communication in detail.
Gurukulam	Gurukulam was conducted by the students wherein students learned prayers, breathing exercises, concentration technique, healing technique, and cosmic chants. The session gave all a chance to close their eyes and introspect, attain a few moments of calm and time with "Self".
Library time	Students read books of various categories like motivational, suspense, magical, science fiction and novels during the library hour.

### Grade 10 - 2021- '22 Batch

Students appearing for pre board examination III

### Grade 10 - 2022- '23 Batch

English	Chapter 2: <b>Nelson Mandela : Long Walk for Freedom</b> was read, explained and question answers were done. Poem: <b>A Tiger in the Zoo</b> was read and explained and question and answers were completed.
---------	--

Mathematics	<p>Started a new chapter '<b>Triangle</b>' and explained terms similarity of figures with examples. Students appeared for the class test of the chapter 'Polynomials' and completed the lab manual for the same.</p> <p>From the Chapter, '<b>Introduction to Trigonometry</b>', the textual exercise related to the six trigonometric ratios were solved in the class.</p>
Science - Physics	<p>Continuing with the chapter, '<b>Light : Reflection and Refraction</b>', refraction of light through a rectangular glass slab, lateral displacement, laws of refraction, the two types of spherical lenses and the terms related to lenses and the rules for drawing ray diagram for spherical lenses were discussed.</p>
Science - Chemistry	<p>From the chapter '<b>Chemical reactions and equations</b>' different types of chemical reactions with examples were discussed .</p>
Science - Biology	<p>Different types of respiratory system in organisms and mechanism of respiration in human beings were discussed from the chapter '<b>Life processes</b>'</p>
Science lab work	<p>An experiment related to <b>Refraction of light through a Rectangular Glass Slab and measurement of emergent angle and lateral displacement</b> was demonstrated in the class.</p>
Social Science- Political Science	<p>New chapter was introduced '<b>Power sharing</b>'. Wherein they came to know about the Belgium and Sri Lanka Democracy</p>
Social Science-History	<p>In the chapter, "<b>Nationalism in Europe</b>" students understood the significance of paintings made by Frederic Sorrieu. They came to know about the administrative changes brought by Napoleon Bonaparte. The topic- Making of Nationalism in Europe was started in the class.</p>
Hindi	<p>विद्यार्थियों ने स्पर्श पाठ्य पुस्तक के पाठ- 1 'बड़े भाई साहब ' को पढ़ा एवं समझा।</p>
Computer	<p>Students came to know about mediums of verbal communication <i>i.e</i> Oral and Written communication. They also learnt Intrapersonal and interpersonal communication. Different types of interpersonal communication-Dyadic,small group and public communication were also explained in the class.</p>
Gurukulam	<p>Gurukulam was conducted by the students wherein students learned prayers, breathing exercises, concentration technique, healing technique, and cosmic chants. The session gave all a chance to close their eyes and introspect, attain a few moments of calm and time with "Self".</p>

Library time	Students read books of various categories like motivational, suspense, magical, science fiction and novels during the library hour.
--------------	---

## GRADE 1 to 10

Mass Drill	Students of grade 1 and 2 performed standing 1 to 3 exercise and sitting 1 to 5 exercise.
------------	---

## EVENTS AND CELEBRATIONS

### WORLD ART DAY:

Each year, on **15 April**, World Art Day celebrations help reinforce the links between artistic creations and society, encourage greater awareness of the diversity of artistic expressions and highlight the contribution of artists to sustainable development. Amicus International School, Vadodara celebrated the World Art Day by conducting a special assembly to emphasize the importance of the day and later in the classroom students did some special art works.

### FIELD TRIP TO EME TEMPLE:

As a part of the '**World Heritage Day**' celebration the school has organized a trip to EME temple , Vadodara. Students of grade 3A made a visit to the temple on 16/04/2022 and observed the significance of the historical and cultural background of the place.
