EVENTS

GOOGLE CLASSROOM EXPLANATION SESSION : (15-04-2021) (16-04-2021)

Google Classroom is a locker, where in Parents can easily view the documents or assignments sent by teachers. They can easily submit their photographs and assignments done by students which can be accessed by teachers. It is another way, apart from broadcasts and emails, to make communication better between students and teachers. Special sessions for Pre Primary were arranged for the better explanation.

GOOGLE FORM EXPLANATION SESSION : (15-04-2021)

Google form is just a form of virtual and pictorial assignments. All the Pre Primary Parents were explained about the same during their virtual sessions of respective classes.
