Physical Education	Students practiced Handball for the upcoming state tournament.

### EVENTS AND CELEBRATIONS:

#### MATHEMATICS DAY CELEBRATION

India is celebrating the birthday of legendary mathematician **Srinivasa Ramanujan Aiyangar** on **Wednesday (December 22)**. The day is celebrated as **National Mathematics Day or Maths Day**. On account of his birthday, students of AISV from grade 1 to 10 celebrated National mathematics Day very enthusiastically by organizing various activities.

Special assembly was arranged by students with speeches , skits and dance performances. Later an exhibition of Mathematics projects made by the students from grade 4 to 10 was conducted.

## **CHRISTMAS DAY CELEBRATION**

This year **Christmas** was celebrated with great fervour and enthusiasm in Amicus International School, Vadodara. The school was decorated beautifully with a Christmas tree, crib, glitters and lights. One could easily notice the excitement of Christmas in the students' eyes. They enthusiastically attended the special morning assembly, drill followed by a photo session with Santa. Class activities such as card making, colouring of Christmas bells were arranged for the students. Cultural activities were organized later in which everybody prayed for the permanent existence of love and peace in this world. The entire event was filled with positive vibrations of Christmas Carols, dance performances and skits. The event ended with cup cake distribution bringing a big smile to the face of children. It was indeed true that the warmth of Christmas was felt from the heart

and the programme just proved it right!

## **AZADI KA AMRIT MAHOTSAV**

As a part of ongoing celebrations of **AKAM- 75 Lakh Postcard Campaign**, students wrote postcards to the Honourable Prime Minister of India, Shri Narendra Modi. They wrote about the two given topics i.e. The unsung heroes of Freedom Struggle and My Vision for India in 2047.

## **EK BHARAT SHRESHTHA BHARAT**

As a part of the ongoing activities under Ek Bharat Shreshtha Bharat, a quiz was conducted for the students of grade 1 to 10 and their knowledge about the paired state was observed.
