Hindi	विद्यार्थियों ने पाठ- 17 'रचनात्मक लेखन' के अंतर्गत 'डायरी लेखन' को पढ़ा एवं समझा।
Sanskrit	विद्यार्थियों ने पाठ शब्द परिचय 2 क मूल्यांकन दिया और बाद में नया पाठ शब्द परिचय 3 का पठन किया और उसका भाषांतर किया
Gujarati	વિદ્યાર્થીઓએ "ત્રણ ઢોંગલીઓ " પાઠની સમજ મેળવી અને પ્રશ્નોની ચર્ચા કરી ,કવિતા - 1 નું મૂલ્યાંકન આપ્યું.

Computer	Students were introduced to the new topic – ' Inserting Charts In MS EXCEL ' wherein they created chart to keep track of marks scored by five students in class.
Gurukulam	Gurukulam was conducted by the students wherein they learned prayers, breathing exercises, concentration technique, healing technique, and cosmic chants. The session gave all a chance to close their eyes and introspect, attain a few moments of calm and time with "Self".
Dance	Students were practicing for international dance day.
Art & craft	Students drew a landscape and colored it using crayons/oil pastels in the sketch book.
Music	Students learnt to play piano.
Library time	Briefed about the World book day and given an activity to prepare a card or a book cover. Students also enjoyed the storytelling and reading time
Physical Education	Students performed some warm up exercises up to bottom and also practiced the kho kho signal chain skill.

Grade 7

English	Analytical Paragraph writing was completed for different kinds of Graph including Bar Graph, Pie chart etc. Unseen Passage was done in Reading Skills.
Mathematics	Students were introduced to a new chapter ' Fractions and Decimals ', wherein they came to know about multiplication and division of fractions. They solved the related word problems.
Science	Nutrition in human beings was explained to the students from the chapter ' Nutrition in animals ' and they solved the textual exercises in the classroom. An Amoeba slide was shown to students in the laboratory.
Hindi	विद्यार्थियों ने पाठ-3 ' रूचियों का ज्ञान-भान ' को पढ़ा एवं समझा।
Social Science	Students enhanced their knowledge in understanding the chapter On Equality , wherein they came to know about other kinds of equality and recognising dignity .
Music	Students learnt alankars and prayer.

Sanskrit	विद्यार्थियों ने सुभाषितानि का मूल्यांकन दिया और बाद में नया पाठ दुर्बुद्धिःविनश्यति पाठ का पठन किया और उसका भाषांतर किया और अभ्यास कार्य किया
Gujarati	વિદ્યાર્થીઓએ "ઈદગાહ" પાઠની સમજ મેળવી અને પ્રશ્નોની ચર્ચા કરી ,કવિતા - 1 નું મૂલ્યાંકન આપ્યું.
Computer	Students were introduced to a new topic-' The auto sum function ' wherein they came to know about different functions of Autosum. They created Student Record and used sum, average, count number,Max, Min functions .
Gurukulam	Gurukulam was conducted by the students wherein they learned prayers, breathing exercises, concentration technique, healing technique, and cosmic chants. The session gave all a chance to close their eyes and introspect, attain a few moments of calm and time with "Self".
Dance	Students were practicing for international dance day.
Art & Craft	Vegetables, leaves and flowers were printed with poster colors in the Navneet Book.
Library time	Briefed about the World book day and given an activity to prepare a card or a book cover. Students also enjoyed the storytelling and reading time
Physical Education	Students performed some warm up exercises up to bottom and also practiced the kho kho signal chain skill and side hurdles.

Grade 8

English	Analytical Paragraph writing was completed for different kinds of Graph including Bar Graph, Pie chart etc. Unseen Passage was done in Reading Skills.
Mathematics	Completed the chapter "Exponent and Power " solving the textual exercises. Students appeared for a class test of Rational Number and Exponent and Power.
Science - Biology	Students came to know about different types of microorganisms i.e. bacteria, algae, fungi, protozoa, viruses, disease-causing microorganisms, diseases caused by bacteria, diseases caused by viruses and protozoa. Students observed different parts of a microscope in the lab

Science - Chemistry	Continuing the chapter ' Metals and Non-metals ' Reaction of metals and nonmetals with oxygen and water was explained. An experiment showing the metals oxides are basic in nature was performed in the laboratory.
Social Science - Civics	Students had a test of the ongoing chapter ' The Indian Constitution '. They had a practice session from All in One.
SocialScience- History	In the chapter, " How, When and Where ", students came to know about the methods of data collection during the 19th century. They understood the limitations of data collection.
Hindi	विद्यार्थियों ने पाठ- 1 'भाषा, लिपि और व्याकरण' को पढ़ा एवं समझा तथा अभ्यास पत्र- 1 को हल किया।
Sanskrit	विद्यार्थियों ने नया पाठ बिलस्य वाणी न कदापि में श्रुता को पढ़ा और भाषांतर किया और अभ्यास कार्य किया । और बाद में सुभाषितानि का मूल्यांकन दिया
Gujarati	વિદ્યાર્થીઓએ "વાધ - યંત્રોની અનોખી દુનિયા" પાઠની સમજ મેળવી અને પ્રશ્નોની ચર્ચા કરી ,કવિતા - 1 નું મૂલ્યાંકન આપ્યું.
Computer	Continuing with the chapter-" Introduction to CSS " wherein students came to know about internal css, external css and inline css. They created a webpage using internal css.
Gurukulam	Gurukulam was conducted by the students wherein they learned prayers, breathing exercises, concentration technique, healing technique, and cosmic chants. The session gave all a chance to close their eyes and introspect, attain a few moments of calm and time with "Self".
Dance	Students were practicing for international dance day.
Library time	Briefed about the World book day and given an activity to prepare a card or a book cover.
Art & Craft	Students observed and drew a live plant in the sketch book as an activity related to World Earth Day.
Physical Education	Students performed some warm exercise and practiced the cricket batting skills, indoor games chess & carrom.

Secondary Section

Grade 9

English	Modals were introduced and completed. Exercises and worksheets were solved related to Modal Auxiliaries. Analytical Paragraph was introduced.
Mathematics	Continuing with the chapter ' Polynomials '. Explained Factor Theorem and identities in class. Students solved textual examples in their notebook.
Science - Physics	The different terms related to acceleration were explained with examples and numerical related to velocity and acceleration were solved by the students, from the chapter, ' Motion '.
Science - Chemistry	Conversion of Celsius to kelvin and kelvin to Celsius and effect of pressure on the state of matter was explained in class. Discussion of important questions related to chapter was done in class.
Science - Biology	The structure and function of mitochondria, plastids and vacuoles were explained from the chapter ' The fundamental units of life '
Science Lab work	Students observed the Stomata using a permanent slide. Experiments showing chemical reactions were performed in the laboratory .
Hindi	विद्यार्थियों ने व्याकरण में लेखन कार्य के अंतर्गत 'अनुच्छेद लेखन' को पढ़ा एवं समझा।
Social Science- Political Science	New chapter was introduced, the chapter " What is Democracy? Why Democracy? ". They did a role play on Why to define Democracy? definition and features of Democracy.
Social Science-History	In the chapter, " French Revolution " students came to know about how France became a constitutional monarchy from being ruled by a monarch.
Computer	Discussed the textual exercise of the chapter ' Perspectives in Communication '. Students were also introduced to a new topic Mail Merge.
Gurukulam	Gurukulam was conducted by the students wherein they learned prayers, breathing exercises, concentration technique, healing technique, and cosmic chants. The session gave all a chance to close their eyes and introspect,

	attain a few moments of calm and time with "Self
Library time	Briefed about the World book day and given an activity to prepare a card or a book cover.
Physical Education	Students did some warm exercise, after that they performed in cricket batting skills and indoor games chess and carrom.

Grade 10

English	Analytical Paragraph writing was completed for different kinds of Graph including Bar Graph, Pie chart and Tables etc.
Mathematics	Continuing with the chapter " Triangles " and students solved textual examples. They understood the concept of similarity criteria by doing the Lab activity. The values of trigonometric ratios of common angles like 0, 30, 45, 60 and 90 degrees were explained from the new chapter, ' Introduction to Trigonometry '.
Science - Physics	The Ray diagrams of convex and concave lenses with the objects at various positions, power of a lens, lens magnification and diopetre were discussed from the chapter, 'Light: Reflection and Refraction. The textual exercises were also discussed.
Science - Chemistry	Continuing chapter -1 ' chemical reactions and equations ' Revision of balance chemical equations and explanations of important questions related to the chapter were done in the class.
Science - Biology	The functions of blood, types of blood vessels and their role in blood circulation were discussed from the chapter ' Life processes '
Science Lab work	Students observed the Stomata under the microscope using a permanent slide.
Social Science- Political Science	In the chapter of ' Power Sharing ' students came to know about Accommodation of Belgium , wherein they came to know about Elements and Models of Belgium .
Social History	Science- In the chapter, ' Rise of Nationalism in Europe ' students came to know how Greece became a nation state and how nationalism was spread in Poland through a different mode than usual.

Hindi	विद्यार्थियों ने स्पर्श पाठ्यपुस्तक के पाठ-2 'मीरा' के पदों को पढ़ा एवं समझा।
Computer	Continuing with chapter ' Communication Barriers ' wherein students were introduced to the types of communication barriers, measures to overcome the barriers of communication. Students were also introduced to Mail Merge and they were able to create birthday invitation card using Mail Merge.
Gurukulam	Gurukulam was conducted by the students wherein they learned prayers, breathing exercises, concentration technique, healing technique, and cosmic chants. The session gave all a chance to close their eyes and introspect, attain a few moments of calm and time with "Self".
Library time	Briefed about World book day and asked to prepare a book review.
Physical Education	Students performed some warm exercise and practiced the cricket batting skills , indoor games chess & carrom.

Grade 10 - 2021- '22 Batch

Students appearing for the Board examination

GRADE 1 to 10

Mass Drill	Students of grade 1 to 10 performed standing 1 to 8 exercise and sitting 1 to 5 exercise & laughing Yoga.
------------	---

EVENTS AND CELEBRATIONS

WORLD HERITAGE DAY: FIELD TRIP

As a part of the '**World Heritage Day**' celebration the school had organized a field trip to **EME temple , Vadodara**. Students of grade 7 to 10 made a visit to the temple and observed the significance of the historical and cultural background of the place.

VADODARA DARSHAN: FIELD TRIP (GRADE 2)

As part of the WorldHeritage Day Grade 2 students along with their teachers went for **Vadodara Darshan** and took an experiential learning about the city they reside in! Few of the places that they visited as per the circular sent are Mandavi, Sursagar,

Nyay Mandir, Kirti Stambh, Palace, Kalaghoda, SG Hospital, Sayaji Garden, M S University etc..

INTERNATIONAL DANCE DAY: 29th April

International dance day is celebrated every year on **29th April**, to mark the establishment of the dance committee of the International theater. The day highlights the amazing diversity and talent of dancers all over the globe. A special assembly was conducted on this occasion at the school. A skit on the facts of International Dance Day was presented and a Dance Performance was given by the students of Grade 7 .

ATL COMMUNITY DAY : 29th APRIL

New Era Senior Secondary School, Vadodara organized **ATAL Tinkering Lab community day** on 29th April and selected few students of grades 7 to 10 attended it and had a tour of the ATAL Lab and the innovative projects made by the students of New Era and Pathshala. The eminent speakers inspired the students to think and tinker their minds with innovative ideas. The students enjoyed doing group activities of designing rockets with paper and launching them high in the sky. They also observed the launching of a drone prepared by the students of the host school.

WORLD BOOK DAY: 23rd April

World Book and Copyright Day is a celebration to promote the enjoyment of books and reading. Each year, on **23 April**, celebrations take place all over the world to recognize the scope of books - a link between the past and the future, a bridge between generations and across cultures. Amicus International School library celebrated World Book Day enthusiastically. A variety of activities were planned for all classes to encourage reading habits among students instead of resorting to online media for every solution. Children for class I and II had enjoyed with Power point presentations story and related questions. Students of Class III to V exhibited their creativity by making some beautiful bookmarks with inspirational reading quotes. Class VI and VII students were made cards for world book day. Importance of books was discussed in Class IX and Class X. They designed innovative Book Cover and some students did the book review.
