A floor activity was conducted in the class for better understanding of the topic.
Mathematics	Students were explained the concept of <b>Odd and even</b> with an activity of making groups. Textual exercise was done in the class. Students were also introduced to the new chapter ' <b>Addition of 2-digit numbers</b> ', with a brainstorming of Addition concept and Addition facts.
Science	The chapter ' <b>Uses of Plants</b> ' was explained wherein students learnt about the plant products which are of great value.
Science Lab	Demonstrated the ' <b>Process of transpiration</b> '
Hindi	चुटकी चिडिया पाठ समझाया गया और नए शब्द नोटबुक में लिखाया गया।
Gurukulam	Gurukulam was conducted by the students wherein they learned prayers, breathing exercises, concentration technique, healing technique, and cosmic chants. The session gave all a chance to close their eyes and introspect, attain a few moments of calm and time with " <b>Self</b> ".
Dance	Students learnt to dance to the <i>song 'Chanda ne poocha taron se for Father's day.</i>
Art & Craft	Students were able to colour different shapes and learnt to the tracing and colouring skills. They completed the activity from page number 6 and 7.
Computer	Revised them chapter 1 in which they learnt about different parts of computer and also about the hardware and software of computer.
Music	Students learnt shloka, God's love prayer and I'm so Happy song.
Library time	Students shared their vacation experiences and a row wise reading session with taken the help of <b>Read with me Book.</b>

## Grade 3

English	Students were introduced with a new topic in Prose ' <b>The Emperor's New Clothes</b> ' and ' <b>The Ice Girl</b> '. Textual exercise and question answers of the same were completed. Students enhanced their Reading Comprehension skills as well.
Science	Students were introduced to a new chapter ' <b>What animals eat</b> ', wherein they came to know about the various eating habits and their classifications.
Mathematics	Introduced a new chapter ' <b>Geometry</b> '. Students learned about the various flat shapes and solid shapes & also understood the concept of line, line segment, ray, point etc. Worksheets were solved in the class.
Computer	Students were introduced to a new chapter ' <b>Inside a computer</b> ', wherein they learned the parts of CPU and their functions. Also, they learned types of memory.
Hindi	छत्रो को व्याकरण मे नया पाठ रचनात्मक गतिविधियों मे श्रुतभाव ग्रहण के बारे मे समजा और अभ्यास कार्य किया।
Gurukulam	Gurukulam was conducted by the students wherein they learned prayers, breathing exercises, concentration technique, healing technique, and cosmic chants. The session gave all a chance to close their eyes and introspect, attain a few moments of calm and time with "Self".
Music	Students learnt the song: <i>This little guiding light of mine</i>
Dance	Students learnt to dance to the song ' <i>Mere aasmaan hai mere papa</i> ' for Father's day.
Art & Craft	Students completed the work from Drawing Book page number 14 to 18 and page number 22& 23 .They also drew bat-ball, bucket-pitcher, different types of leaves, fruits and landscape.
Library time	Students shared their vacation experiences and briefed about the upcoming <b>National Reading Day</b> and its importance.

English	Students were introduced with a new topic in Prose ' <b>Mountain Mona</b> '. Textual exercise and <b>Question</b> Answers of the same were completed.
Mathematics	Students came across a new chapter ' <b>Money</b> ' where they learned about conversion of paise to rupees and vice versa. They solved the real life problems related to money and learned to add and subtract money.
Science	Give reasons for chapter 2 was done in the class. Also, they were introduced to a new chapter ' <b>Animal adaptation</b> '.
Social Studies	A detailed discussion of the chapter ' <b>The Northern Plains</b> ' was done; wherein They came to know about states, crops grown, different river basins from Northern plains.
Hindi	छात्रों को नया पाठ ' <b>नौकरी की शर्त</b> ' विडिओ दिखाकर समजूती दी और बाद में वांचन करके समजाया ।
Sanskrit	छात्रों को नया पाठ का पहले शब्द परिचय करवाया और बाद में <b>मम विधालय:</b> के बारे में समजा और भाषांतर करके समजा ।
Gujarati	વિદ્યાર્થીઓએ <b>સ્વર - આ અને ઇ</b> ની માત્રા વાળા શબ્દો નું લેખન અને વાંચન કર્યું.
Computer	Students were introduced to a new chapter ' <b>Formatting Text in MS Word</b> ', wherein they learned how to modify the text in MS word.
Gurukulam	Gurukulam was conducted by the students wherein they learned prayers, breathing exercises, concentration technique, healing technique, and cosmic chants. The session gave all a chance to close their eyes and introspect, attain a few moments of calm and time with "Self".
Dance	Students learnt to dance to the song ' <i>Mere aasmaan hai mere papa</i> for Father's day.
Art & Craft	Students have learned about Indian monuments. Each one of them has drawn and colored a monument of their own choice in separate paper.
Library time	Students shared their vacation experiences and briefed about the upcoming National <b>Reading Day</b> and its importance.

English	Students were introduced with a new Prose ' <b>The Bird's Eye</b> ' and ' <b>Feathered Friend</b> '. Textual exercise and Addition Questions were completed.
Mathematics	Continuing the chapter ' <b>Factors and Multiples</b> ', students came to know about the divisibility rule of 11, 12, 15 and 18. They learnt the prime factors, prime factorization, short division method and factor tree method and did some textual exercises related to this.
Science	Introduced a new chapter " <b>The Skeletal System and the Nervous System</b> ", wherein students came across the topic the brain and the spinal cord. They understood the different sense organs of our body and their functioning.
Social Studies	Students were introduced to the new chapter ' <b>Climatic Zones of Earth</b> '. Concepts like Weather, climate, seasons, factors affecting climate of a place were explained with the help of videos and different facts discussion was done in the class.
Hindi	छात्रों को नया पाठ <b>दोस्त का दोस्त अपना दोस्त</b> पाठ विडिओ के द्वारा समजा   और बाद में वांचन करके पाठ को समजा
Sanskrit	छात्रों को नया पाठ <b>एषः-एते ,एषा-एता, एतत-एतानि</b> में पहले सर्वनाम को समजा बाद में वांचन करके भाषांतर किया   और अभ्यास कार्य किया
Gujarati	વિદ્યાર્થીઓએ " <b>નાની સરખી ખિસકોલી</b> " કવિતાનું ગાન કર્યું અને પ્રશ્નોની ચર્ચા કરી લેખન કર્યું.
Computer	Students did the lab activity:" Using Table,Create maths tables of 10-20, add header as Maths Table and Footer as page number".
Gurukulam	Gurukulam was conducted by the students wherein they learned prayers, breathing exercises, concentration technique, healing technique, and cosmic chants. The session gave all a chance to close their eyes and introspect, attain a few moments of calm and time with "Self".
Dance	Students learnt to dance to the song ' <i>Mere aasmaan hai mere papa</i> for Father's day.
Art & Craft	Students drew and coloured the Indian instruments in the sketch book. Extra work was assigned to prepare a painting of an instrument like tabla, mridangam, sitar,t anpura, ektara on a separate paper.
Library time	Students shared their vacation experiences and briefed about the upcoming National <b>Reading Day</b> and its importance.

Music	Students learnt and wrote sargam geet of raag.
-------	--

### Grade 6

English	Students were introduced with a new Prose ' <b>Tom Paints the Fence</b> '. Textual exercise and Additional Question were completed.
Mathematics	Continuing the chapter ' <b>Integers</b> ', students came to know about the arithmetic operations i.e. addition and subtraction of integers and solved the textual exercises.
Science	The chapter ' <b>Separation of Substances</b> ' was completed with the discussion of textual exercise.
Social Science	The chapter, ' <b>Understanding Diversity</b> ' was completed in the class and the students started practising for a play based on the topic- 'Unity in Diversity'.
Hindi	विद्यार्थियों ने पाठ-15 ' <b>विराम चिह्न</b> ' को पढ़ा एवं समझा।
Sanskrit	छात्रों को नया पाठ <b>विद्यालयः</b> का वाचन करके भाषांतर किया ।
Gujarati	વિદ્યાર્થીઓએ " <b>સમયનું મહત્વ</b> " કવિતાનું ગાન કર્યું અને પ્રશ્નોની ચર્ચા કરી લેખન કર્યું.
Computer	Started a new chapter ' <b>The Internet</b> ' wherein students enhance their knowledge about the Internet and different terms related to the internet.
Gurukulam	Gurukulam was conducted by the students wherein they learned prayers, breathing exercises, concentration technique, healing technique, and cosmic chants. The session gave all a chance to close their eyes and introspect, attain a few moments of calm and time with "Self".
Dance	Students learnt to dance to the song ' <i>Mere aasamanh hai mere Papa</i> ' for Father's day.
Art & craft	Students learnt to write bold letters freehand and wrote their own names in the sketch book.
Music	Students did the practice for World Music Day.
Library time	Students shared their vacation experiences and briefed about the upcoming <b>National Reading Day</b> and its importance.

## Grade 7

English	Revision Test of Unit 1 Chapters: <b>Music and Musician</b> was taken. Revision of topics: <b>Nouns, Pronouns</b> and <b>Adjectives</b> was done.
Mathematics	Continuing the chapter 'Rational Numbers'. Students learnt addition, subtraction, multiplication and division of the Rational Numbers and completed the textual exercises.
Science	Completed the chapter ' <b>Fibre to fabric</b> ' with the completion of Textual exercises and notebook work. Introduced a new chapter : ' <b>Heat and temperature</b> '
Hindi	विद्यार्थियों ने पाठ- 4 'शब्द विचार' को पढ़ा एवं समझा।
Social Science	Students recapped the ongoing chapter ' <b>Tracing changes through the thousand years</b> and later continued with the topic Region and Empire.
Sanskrit	छात्रों को <b>स्वावलम्बनम</b> पाठ का पठन किया और भाषांतर किया
Gujarati	વિદ્યાર્થીઓએ "સ્વામી વિવેકાનંદ" પાઠનું વાંચન કર્યું, સ્વામી વિવેકાનંદ વિશે ચર્ચા કરી , જાણકારી મેળવી અને પ્રશ્નોની ચર્ચા કરી લેખન કર્યું.
Computer	Students completed lab activity: ' <b>Working with the IF statements</b> ' in which they created an excel sheet showing- ITEM NO,NO OF ITEM ,ITEM PRICE and calculated Tax using IF statement.
Gurukulam	Gurukulam was conducted by the students wherein they learned prayers, breathing exercises, concentration technique, healing technique, and cosmic chants. The session gave all a chance to close their eyes and introspect, attain a few moments of calm and time with "Self".
Dance	Students learnt to dance to the song ' <i>Mere aasamanh hai mere Papa</i> ' for Father's Day.
Art & Craft	Students learnt to write bold letters freehand and wrote their own names in the sketch book.
Library time	Students shared their vacation experiences and briefed about the upcoming <b>National Reading Day</b> and its importance.

## Grade 8

English	Chapter2: <b>The Eyes Have It</b> , was read, explained and Question Answers were done.
Mathematics	Continuing with the chapter ' <b>Square and square root</b> '. Explained the properties of square and square root, and students solved textual exercises.
Science- Biology	Students were introduced to a new chapter ' <b>Synthetic Fibres and plastics</b> ', wherein they came to know about synthetic fibres, types of synthetic fibres, their properties and uses.
Science- Chemistry	Reactivity series, displacement reaction and uses of metals and nonmetal from the chapter ' <b>Metal and nonmetal</b> ' were explained in the class.
Social Science - Civics	New chapter was introduced ' <b>Understanding Secularism</b> ', wherein they came to know about India's secularism and enacted on the 2 role plays.
Social Geography	Science- In the chapter, ' <b>Land, soil, water, natural vegetation and wildlife resources</b> ' students came to know about the physical features of the Earth. Discussion of the topics such as land use, landslides and mitigation mechanisms were done in the class. The students made a poster on water conservation as a part of the chapter and enrichment activity.
Hindi	विद्यार्थियों ने पाठ-12 'विराम चिह्न' को पढ़ा एवं समझा।
Sanskrit	छात्रों को नया पाठ <b>डिजीभारतम</b> का पठन किया और भाषांतर करके समजा ।
Gujarati	વિદ્યાર્થીઓએ " <b>જશોદા તારા કાનુડાને</b> " કવિતાનું ગાન કર્યું, પ્રશ્નોની ચર્ચા કરી અને લેખન કર્યું.
Computer	Completed the chapter ' <b>Introduction to CSS</b> '. Students practically implemented all CSS properties with different HTML tags.
Gurukulam	Gurukulam was conducted by the students wherein they learned prayers, breathing exercises, concentration technique, healing technique, and cosmic chants. The session gave all a chance to close their eyes and introspect, attain a few moments of calm and time with "Self".
Music	Students did the practice for World Music Day.
Dance	Students learnt to dance to the song ' <i>Mere aasamanh hai mere Papa</i> ' for Father's day.

Library time	Students learnt to dance to the song ' <i>Mere aasamanh hai mere Papa</i> ' for Father's day.
Art & Craft	Discussed about Japanese Art history, culture, music, dress, etc. A work was assigned to write a paragraph on Japanese history and make a Japanese map in the sketch book.

## Secondary Section

### Grade 9

English	Poem: <b>Wind</b> was read, explained and summary was given. Questions and Answers of the poem were completed.
Mathematics	A new chapter ' <b>Coordinate Geometry</b> ' was started. The concept clarity was given by taking real life examples.
Science- Physics	Recapitulation of the terms related to motion, speed, velocity and acceleration were done and the three equations of motions were proved through graphical methods from the chapter, ' <b>Motion</b> '.
Science- Chemistry	Started with the new chapter ' <b>Is matter around us pure?</b> '. Types of matter, element, compound and mixture were completed in the class.
Science- Biology	Started the chapter ' <b>Tissues</b> '. The types of tissues and an introduction to the plant tissues were given taking suitable examples.
Science Lab work	Students observed the steps in temporary mount preparation using the Onion peel.
Hindi	विद्यार्थियों ने हिन्दी व्याकरण में 'विराम चिह्न' को पढ़ा एवं समझा।
Social Science- Political Science	The chapter, ' <b>What is Democracy? Why democracy?</b> Wherein they came to know about three different features of different countries.
Social Science-History	The chapter, ' <b>French Revolution</b> ' was completed in the class. Students came to know about the rise of Napoleon Bonaparte and the fall of King Louis XVI.
Computer	The chapter ' <b>Basic writing Skills</b> ' was started, wherein students came to know about different writing skills, phrases and types of phrases.

Gurukulam	Gurukulam was conducted by the students wherein they learned prayers, breathing exercises, concentration technique, healing technique, and cosmic chants. The session gave all a chance to close their eyes and introspect, attain a few moments of calm and time with "Self
-----------	--

### Grade 10

English	Chapter 3: <b>His First Flight</b> and <b>Black Aeroplane</b> was read, explained and exercises were completed in the notebook.
Mathematics	Continuing with the chapter, ' <b>Introduction to Trigonometry</b> ', recapitulation of the angles of various trigonometric ratios was done. The Complementary angles and trigonometric identities were done and textual exercise was completed. Revised the topics Number System, polynomial and triangles, coordinate geometry. Students have solved examples based on distance formulas and textual examples.
Science- Physics	A new chapter, ' <b>Human Eye and the colourful world</b> ' was introduced to the class. The importance of the eye and its internal structure and their functions were discussed.
Science- Chemistry	Started with a new chapter ' <b>Acids ,bases and salts</b> ' Basic knowledge of acids and bases were given to students. Types of indicators with suitable examples were done in the class.
Science- Biology	The process of excretion, types of excretory system, the human excretory system and steps involved in urine formation were explained from the chapter ' <b>Life processes</b> '
Science Lab work	The practical related to refraction of light and calculation of Angle e through a glass slab was done by the students.
Social Science- Economics	Students were introduced with the new chapter ' <b>Sectors of Indian Economy</b> ', wherein they came to know about three different sectors and their comparative studies.
Social Science-History	The chapter, ' <b>Rise of Nationalism in Europe</b> ' was completed and the chapter was recapitulated. Announcement of a class test was made in the class.
Hindi	विद्यार्थियों ने हिन्दी व्याकरण में मुहावरों को पढ़ा एवं समझा।

Computer	The chapter, ' <b>Effective Communication</b> ' was completed in the class wherein students enhance their knowledge about effective communication and factors of effective communication.
Gurukulam	Gurukulam was conducted by the students wherein they learned prayers, breathing exercises, concentration technique, healing technique, and cosmic chants. The session gave all a chance to close their eyes and introspect, attain a few moments of calm and time with "Self".

## GRADE 1 to 10

Mass Drill	Students of grade 1 to 10 performed the standing 1 to 8 exercise , sitting 1 to 5 exercise and laughing Yoga.
------------	---

## EVENTS AND CELEBRATIONS

### FATHERS DAY (17-06-2022, FRIDAY)

**Kindergarten toddlers & Grade 1 & 2 students celebrated Father's day by doing various activities in their class with their peers and teachers. They also shared their father's name and the nickname by which their father call them!**
