Grade 10

English	Students enhanced their grammar skills on the topic Determiners . Explanation and Practice work of the same were done in the class.
Physics	The chapter Light: Reflection & Refraction was completed in the class.
Biology	The importance of respiration and elaborated the differences between aerobic and anaerobic respiration with suitable examples from the chapter Life processes .

Chemistry	Types of chemical reactions discussed and completed.
Mathematics	Continuing with the chapter " Triangles " with BPT and Converse of BPT concepts. Students have solved textual sums in class.
Hindi	विद्यार्थियों ने रचनात्मक लेखन के अंतर्गत विज्ञापन लेखन को पढ़ा एवं समझा।
SS	Economics - Lesson Development was done in the class Revision for PT-1 was done
Library Time	Explained the importance of National Reading Day/Week and pledged to prompt reading and grow during the library period.
PE	Students played Volleyball & Basketball games during PE class.
Information Technology	Part B: Chapter-3: Explanation of creating relationships between tables are done with practical examples.

Grade 11 Science

Mathematics	Started " SETS " with its basic concepts. Students have solved textual sums based on it.
Physics	The chapter Units and Measurements was introduced to the class.
Physics Lab	Measurement of dimension by using a Vernier caliper was performed by the students.
Biology	The different systems of classification and the characteristics of Kingdom Monera were discussed from the chapter The Biological classification .
Biology- Lab	Students prepared a temporary mount of leaf and Onion peel
English	Students were introduced with the chapter ' A Portrait of a Lady '. Explanation of the same was done. Project work was explained in the class.

PE	Given the information about physical education Syllabus and project file work
Computer Science	Chapter-2: Functions: Explained Built in methods and modules with practical examples.

Grade 11- Commerce

Business Studies	Chapter 1 - Business, Trade and Commerce - The chapter was introduced in the class. Topics covered are History of Business, Business: Meaning and Characteristics, Business Activities.
Accountancy	Chapter 1 Introduction to Accounting- Meaning, Advantages, Limitations, Objectives, Users, Branches of accounting, Accounting terms.
English	Students were introduced with the chapter ' A Portrait of a Lady '. Explanation of the same was done. Project work was explained in the class.
PE	Given the information about physical education Syllabus and project file work
Art & Craft	Gr. 11 They have started to make a portfolio for Art.
Computer Sciencde	Chapter-2: Functions: Explained Built in methods and modules with practical examples.
Economics	Macro Economics - Lesson National Income and Aggregates was done (Numericals & Theory) in the class

Grade 11-Humanities

Psychology	Chapter 1: What is Psychology - The chapter was introduced in the class. Students learned the history and evolution of psychology along with different branches of psychology.
History	Students were introduced with chapter 1: Early societies - Writing and city Life wherein they learn about Mesopotamia - the society and its geography.
English	Students were introduced with the chapter ' A Portrait of a Lady '. Explanation of the same was done. Project work was explained in the class.
Economics	Macro Economics - Lesson National Income and Aggregates was done (Numericals & Theory) in the class
PE	Given the information about physical education Syllabus and project file work
Computer Science	Chapter-2: Functions: Explained Built in methods and modules with practical examples.

Grade 12-Science

English	Students were introduced with a prose ' The Tiger King '. Explanation and extra questions of the same were completed in the classroom.
Physics	The chapter Electric field and charges was completed in the class.
Physics Practical	Measurement of unknown resistance by using wheatstone bridge was performed by the students.
Biology	<p>From the chapter:</p> <p>Reproductive Health: explained various Assisted Reproductive Technologies (ART) like IVF, ZIFT, and IUI, detailing their procedures and conditions for use.</p> <p>Human Health and Diseases: covered the concept of health, types of diseases, and the role of different pathogens.</p> <p>Symptoms, transmission, prevention, and treatment of diseases are discussed with examples like malaria, typhoid, and pneumonia..</p>
Mathematics	Completed chapter " DETERMINANTS " and students have solved all textual sums. Started a new chapter " PROBABILITY ". Students were explained the concept of conditional probability.
Computer Science	Chapter-2: Functions: Explained Built in methods and modules with practical examples.
Biology Practical	Students observed the different types of pollination adaptation in plants and noted the features.
Chemistry	Resistance, conductance, ionic conductance, molar conductivity completed and numericals solved.

PE	Reviewing summer vacation homework during PE class. Students played volleyball & basketball games during PE class.
----	--

Grade 12- Commerce

English	Students were introduced with a prose ' The Tiger King '. Explanation and extra questions of the same were completed in the classroom.
Business Studies	Ch-2 Principles of Management- Principles given by Henry Fayol. Ch-3 Business Environment- concept, Features, Importance.
Accountancy	Ch-5 Cash Flow Statement- Introduction, Identification of Activities, Format of Cash Flow From Operating Activities. Illustration 1-21.
PE	Reviewing summer vacation homework during PE class. Students played volleyball & basketball games during PE class.
Economics	Statistics - Introduction of Statistics was done Micro Economics - Introduction of Economics was done

Grade 12- Humanities

English	Students were introduced with a prose ' The Tiger King '. Explanation and extra questions of the same were completed in the classroom.
Psychology	Chapter 1: Variations in Psychological Attributes - The chapter was introduced. Individual differences, Attributes, Assessment types and methods, Intelligence and Theories of Intelligence was completed in the class.

PE	Reviewing summer vacation homework during PE class. Students played volleyball & basketball games during PE class.
Economics	Statistics-Introduction of Statistics was done. Micro Economics- Introduction of Economics was done.
