Mathematics	Students were introduced to a new chapter Fractions , where in they came to know about different types of fractions.
Science	Students appeared for PT1. Practice papers related to the same were discussed in the classroom. A complete revision of PT1 syllabus was discussed .
Social Studies	Students were introduced to the new chapter, Environmental pollution . Students discussed the various types of pollution and the also given an activity was of collecting news on pollution during the week.
Hindi	छात्रों को परीक्षा का पुनरावर्तन किया और पेपर की चर्चा की और नया पाठ बुद्धा की करुणा का वीडियो देखा
Sanskrit	छात्रों को परीक्षा के लिए पुनरावर्तन करवाया और पेपर की चर्चा की
Gujarati	વિદ્યાર્થીઓએ “આળસુ માણેકડું” પાઠની સમજ મેળવી અને પ્રશ્નોની ચર્ચા કરી લેખન કર્યું.
Computer	Students appeared for PT1. Revision of the same was done.

Dance	Students danced to the songs they have already learnt.
Art & Craft	Students made a card on Guru Purnima in the sketch book, Drew and coloured ornamental design in the Drawing book.
Music	Students learned <i>sargam geet</i> of raaga.
Library time	Discussed about <i>Where the newspaper comes from?</i> From the reference book Super book of knowledge.

Grade 6

English	Students appeared for PT1. Revision of the same was done.
Mathematics	Students were introduced to a new chapter Playing with Numbers , wherein they came to know about the different divisibility rule, factors and multiples, prime factorisation method and factor tree method.
Science	Students were introduced to the chapter Fibre to Fabrics , wherein they came to know about the natural fibres and Synthetic fibre, importance of natural fibres, and fibre to fabrics.
Social Science	Students appeared for the PT-1. A new chapter in geography, Globe: Latitude and longitude was introduced in the class. Using a globe students identified the prime meridian and International date line.
Sanskrit	छात्रों को प्रैक्टिस पेपर करवाया और पुनरावर्तन किया ।
Gujarati	વિદ્યાર્થીઓએ "રાજેન્દ્રબાબુ" પાઠની સમજ મેળવી અને પ્રશ્નોની ચર્ચા કરી લેખન કર્યું.
Computer	Students appeared for PT1. Revision of the same was done. In practical they inserted charts using Student Record Data in MS Excel.
Dance	Students danced to the song they have already learnt.
Art & craft	Students drew and coloured Japanese Instruments, wrote a sloka on Guru Purnima in their sketch book.
Library time	Students enjoyed the free reading time

Grade 7

English	Students appeared for PT1. Revision of the same was done.
Science	Started a new chapter Chemicals and chemical changes in which topics like matter, element, compound and mixture were discussed with students.
Hindi	विद्यार्थियों ने पाठ-6 'संज्ञा' के अन्तर्गत संज्ञा के विकार- 'कारक' को पढ़ा एवं समझा
Social Science	Students were introduced with new chapter Inside our Earth with video.
Sanskrit	परीक्षा के लिए पुनरावर्तन करवाया और नया पाठ पंडिता रमाबाई का विडिओ दिखाया
Gujarati	વિદ્યાર્થીઓએ “નવરાત્રી” પાઠની સમજ મેળવી , પ્રશ્નો ની ચર્ચા કરી અને તેનું લેખન કર્યું.
Computer	Students appeared for PT1. Revision of the same was done.
Dance	Students danced to the songs they have already learnt.
Art & Craft	Students drew and coloured Japanese headgears, wrote a sloka on Gur Purnima in their sketch book.
Library time	Roll number wise sitting arrangement and books have been given for reading from the library. Started circulation for students.

Grade 8

English	Students appeared for PT1. Revision of the same was done.
Mathematics	Understanding Quadrilateral started. Properties of different types of quadrilaterals was discussed with an activity. Theorems were discussed.
Science	Definition of combustion, combustible and non-combustible compounds, types of combustion, conditions necessary for combustion and extinguishing fire were discussed from the chapter5- Combustion and fossil fuels
Social Science	Students appeared for the PT-1.
Hindi	विद्यार्थियों ने पुनरावर्तन किया।
Sanskrit	छात्रों ने परीक्षा के लिए पुनरावर्तन किया ।
Gujarati	વિદ્યાર્થીઓએ “પોતાનું સ્થાન જાતે બનાવો” પાઠની સમજ મેળવી , પ્રશ્નોની ચર્ચા કરી અને લેખન કર્યું.

Computer	Students appeared for PT1. Revision of the same was done.
Music	Students learned to play the National Anthem on keyboard.
Dance	Students danced to the song's they have already learnt.
Library time	Students enjoyed the free reading time.
Art & Craft	Students drew and coloured Japanese Monuments, wrote a sloka on Guru Purnima in their sketch book and completed the creative design from the drawing book page: 12

Secondary Section

Grade 9

English	Revision for PT1 was done. The Adventures of Toto story was read in Supplementary Reader.
Mathematics	Chapter, Lines and Angles was started, checking the pre knowledge of lines and angles. Transversal and the property of the pair of angles was explained in class.
Science- Physics	A new chapter, Forces and Laws of Motion was introduced to the students. The concept of force, its effect, balanced and unbalanced force were discussed with the students.
Science- Chemistry	Continuing the chapter Is metal around us pure? suspension and colloids were explained from the chapter.
Science- Biology	Continuing the chapter, Tissues ; explained the complex plant tissues- Xylem
Hindi	विद्यार्थियों ने 'अनौपचारिक पत्रों' के अंतर्गत 'सांत्वना पत्रों' को पढ़ा एवं समझा।
Social Science	Students appeared for PT-1. A new chapter in Geography, Physical features of India was introduced in the class.
Social Science- Economics	New chapter was introduced People as Resources and introduction was done.
Computer	Students appeared for PT1. Revision of the same was done. Mail Merge was introduced to the students wherein they came to know about how to create invitation letter for Birthday Party to be sent to their friend list.
Library time	Students enjoyed free reading time, circulated the library books.

Grade 10

English	How To Tell Wild Animals poem was read, explained. Notes were completed
Mathematics	Linear equation in two variables was started with a real-life example. Explained the graphical method to solve them.
Science- Physics	A new chapter, Human Eye and the Colourful World was introduced to the students. The need for eyes, parts of the eye and its function, image formation by the eye and persistence of vision was discussed with the students.
Science- Chemistry	Topic- what happens when acids and bases react with water? Was explained in the class from the chapter Acids bases and salts . Textual exercises were completed.
Science- Biology	The concept of sensory perceptions. Sense organs and structure of Neurons were explained from the chapter Control and coordination .
Science- Lab work	The students measured the focal length of a concave mirror and a convex lens.
Social Science	Students appeared for PT-1. A new chapter in Geography, Forest and wildlife resources was introduced in the class.
Social Science	Consumer Awareness project presentation, viva was done.
Hindi	विद्यार्थियों ने संचयन: पाठ्यपुस्तक - के अंतर्गत पाठ- 2 "सपनों के - से दिन" को पढ़ा
Computer	Students appeared for PT1. Revision of the same was done. Students created Poster on Global Warming using MS Word features.

Grade 11- Science

Physics	Students were briefed about the syllabus. From the chapter, 'Units and Measurements' the units, S.I units, its importance and characteristics, measurement of Length, mass and time, parallax error, types of errors were explained to the students.
Chemistry	Nature of matter, properties, laws of chemical combinations, Dalton's atomic theory and atomic & molecular mass were explained from the chapter Some basic Concepts of Chemistry
Mathematics	Students were introduced to the chapter Sets and their Representations

Biology	Syllabus overview. The characteristics of living things, Taxonomy, Classification and Systematics were explained from the chapter ' The living world '
English	A Photograph poem was read, discussed, and explained and Question- answers were completed.
Computer Science	Students were introduced to chapter Computer Organisation wherein they came to know about components of computer, memory system, Operating system and different types of software.

Grade 11- Commerce

Business Studies	Students were introduced and briefed about the Business, Trade and Commerce
Economics	Interaction with a child and introduced the chapter What is Economics?
Accountancy	Introduction of the chapter 1 was done
English	A Photograph poem was read, discussed, and explained and Question- answers were completed.
Computer Science	Students were introduced to chapter Computer Organisation wherein they came to know about components of computer, memory system, operating system and different types of software.

EVENTS AND CELEBRATIONS:

Session on Time- Management and Self-Improvement (Grade XI)

The Principal Dr. Hema Abhiroop had conducted a session for Grade XI students on the topic "**Time- Management and Self-Improvement**" to encourage and motivate the students. The session was much relevant as it helps the students to gain information on time-management and ways of self- improvement.
